

P3/4 Home Learning Plan WB: 8th June

Literacy	Maths/Numeracy	Health and Wellbeing	Other Areas
Access your words on Spelling City under the heading w/b 8/6/2020 and play at least one game every day.	Number Processes: Go to www.discoveryeducation.co.uk > Select Espresso from the dropdown menu > enter pupil username: student13908 > enter password: g690ja Select First Level, Maths, Addition and Subtraction, and play some of the activities available.	Physical: Join in with Jumpstart Jonny PE sessions online.	Have a go at playing our Stone Age Kahoot Quiz by accessing https://kahoot.it/ and entering the game pin 09986607 The quiz will be available for you to join until Friday at 3pm.
Spelling and Phonics: Create an acrostic poem for 5 of your words of the week.	Measure: Have a go at the "Perimeter" sheet on Microsoft Teams.	Physical: Search for Storyhive Yoga for Kids on Youtube.	
Listening and Talking: Log in to Oxford Owl using the username missmuirclass and password room9. Find the Storytelling video of Ali Baba. Can you write a summary of the story? What are the differences between Ali and Morgiana, the slave girl?	Money: Have a go at NatWest's Coin Cruncher game for children at https://natwest.mymoneysense.com/students/students-5-8/coin-cruncher/ You can try making the total or counting the coins and there are Easy and Hard levels of both!	Sun Safety: The weather has been beautiful recently, so it is important to make sure we are safe in the sun. What kind of things can we do to make sure our bodies are safe? Create a poster to encourage people to be safe in the sun.	Create your own quiz to test your family and friends. You could use a particular theme such as movies or maths! Will they have to come up with the correct answer or will the quiz be multiple choice?
Reading: Choose a book on Epic, freechildrenstories or continue reading The Ickabog. Make a list of tricky words, write their meaning and try to use them in a sentence.	Pattern: Access Paint the Squares on TopMarks at https://www.topmarks.co.uk/learning-to-count/paint-the-squares Use a different colour for each of your times tables and see what patterns you can make.	Healthy Eating: I am running out of ideas for meals at home! What has been your favourite meal during lockdown? Could you write a recipe for it and draw a picture?	Talk to an adult about your classroom rules. What rules for learning could you use at home? Can you create a list of rules that you think we will need when we return to school?
Writing: Write a weather report based on our recent weather. Include some pictures of what the weather is like. Use a search engine to find out what temperatures we have been experiencing. What has the sky looked like? How strong have the winds been? How long do we expect this weather to last?	Time: Log on to Espresso, select First Level, Maths, Time, Activities and choose some of the interactive activities to complete. Choose a mixture of Days, Weeks, Months and Years, and Telling the Time.	Sport: Choose your favourite sport and listen to some commentary on YouTube. Think about the important things the commentators mention. Write and perform your own commentary about a game. It could be a past game you find on the internet or could even be on a game you can play in the house!	Watch Newsround (or another news source) this week and choose a topic that you found important or interesting. Spend the next two weeks researching and creating a small project based on this. You could make a PowerPoint or even film yourself as a news reporter! Good luck.
