

Nursery Home Learning - Week Beginning 22.6.20

Literacy	Numeracy/Maths	Health and Wellbeing	Other Areas
<p>Find your name: Ask a family member to write a selection of names and see if you can find yours.</p>	<p>Practice singing your 'Days of the Week' and 'Months of the Year' songs.</p>	<p>Ask your family to help you set up an obstacle course indoors or in your garden. You can practice skills such as hopping or balancing on one leg.</p>	<p>Balloon painting. Blow up a balloon halfway and use it to stamp in the red/green paint to create the hungry caterpillar.</p>
<p>Practice your mark making: Rainbow sensory writing. Colour a sheet of paper in different rainbow stripes, pour salt/sugar over the paper and use your pencil to write your name</p>	<p>Make a chart to help you remember what day it is: Using a paper plate you can ask a family member to help you write each day on the plate. Using a peg, you can peg it on each day when singing your days of the week song. Decorate it any way you like.</p>	<p>Prepare your own healthy wrap or sandwich for lunchtime.</p>	<p>Make and decorate a paper kite. Take it outside on a windy day and see how high it will fly.</p>
<p>Story Time: Create your own storytelling show for your family using puppets or teddies. Tell the story using different voices. You could tell the story of 'Goldilocks and the Three Bears' or 'The Three Little Pigs'.</p>	<p>Collect leaves while out on a walk. Ask your family members to draw numbers on the leaves. You can then use pegs to represent each number.</p>	<p>Have a teddy bears picnic indoors or out in the garden using your favourite teddies.</p>	<p style="text-align: center;">Make Gloop slime. Ingredients: 2 cups cornflour. ½ cup shampoo 6 tbsp. water Food Colouring Mix the shampoo and food colouring together, then add the flour and one tbsp. of water at a time.</p>
<p>Song Time: Make song sticks using lolly sticks. You can decorate and label these to represent your favourite nursery rhymes which you can then choose to help you</p>	<p>Go on a shape hunt in your house or garden. You could count or record how many of each shape you see.</p>	<p>Draw a picture of yourself when you return to nursery or when you start school, discuss the picture with your family e.g. what you are excited or nervous about?</p>	<p style="text-align: center;">Make your own ice lollies: 1 banana 180g Strawberries 150 ml whole milk Blend the ingredients and add to moulds. Pop them in freezer.</p>

Nursery Home Learning - Week Beginning 22.6.20

<p>Go on a letter hunt using your initial. e.g. if your initial is G look for grapes or something green.</p>	<p>Can you make different shapes using craft sticks or lolly sticks.</p>	<p>When you are out walking or playing in the garden you could collect leaves and petals, these can be used to make a beautiful tree. Draw a tree trunk and use what you have collected to make a nature tree.</p>	<p>Can you make a boat that floats? Using household items such as bottles and containers. Discuss with your family why you think some items float and some don't.</p>
