

P3/4 Home Learning Plan WB: 22nd June

Literacy	Maths/Numeracy	Health and Wellbeing	Other Areas
Access your words on Microsoft Teams. Can you use the internet to translate your words into German?	Number Processes: Play the “Daily 10” on TopMarks.: P3 – Level 2 / P4 – Level 3 Select multiplication and choose some tables to challenge yourself!	Physical: Access the Just Dance Youtube channel and choose some dances to complete.	Write an acrostic poem about summer using the word SUMMER, SCHOOL’S OUT or HOLIDAY.
Spelling and Phonics: Write some summer sentences using your spelling words for the week.	Data Handling: Play the Data Handling Kahoot based on graphs at Kahoot.it using the game pin 07794538 Good luck!	Physical: Access Cosmic Kidz Yoga on Youtube and choose a yoga video to follow.	Finish off your small research project. You could post it to Twitter or Teams so I can see all of your hard work!
Spelling and Phonics: Choose your 3 favourite spelling tasks that you have been using whilst learning at home and use them with this week’s words.	Money: You are the proud owner of a new Healthy Eating take-away. Create a menu including prices, and ask your family to place orders. Calculate how much their order costs, and how much change you need to give them.	It has come to the end of your time in Primary 3/4. It has been a very unusual year. What have been your favourite parts? What have you learned whilst being at home that you might not have learned at school?	Technology: Design your own ice cream or ice lolly. Draw and label it. What would you call it? What does it look like? What is it made of and how does it taste?
Reading: Can you think of any story books that are about the summer time or summer holidays? Write down the different books you can find and have a go at reading one. You could use the Epic! website to help you!	Time: Access BBC Bitesize with the link below and improve your skills by counting on using time. https://www.bbc.co.uk/bitesize/topics/zm4k7ty/articles/zfywhbk Watch the video, then play the quiz afterwards.	What have you missed about school? What excites you about going back to school after summer? Is there anything you are nervous about? Who can you talk to about these worries? Who are you most excited to see when you return to school?	Art and Design: Make your own summer picture using different materials, Try to use some outdoor items you can gather from your garden or your daily walk.
Writing: Choose your favourite thing to do during the summer time. Draw a picture of it. Write a few sentences or a short story about what you have drawn.	Shape: Identify as many 2D shapes and 3D objects as you can in your house or garden. Draw, or take pictures of them. Can you describe their properties? Eg Square: 4 sides, 4 vertices, 4 right angles, 4 lines of symmetry.	Create a poster, word document, PowerPoint or video with your answers.	Science: Access #GSCAtHome on Youtube and choose some Science videos that you would like to learn about.
