

If the school must close or you cannot get to school because of snow or very bad weather, these are the tasks you should do at home.

	<b>Activity 1</b>	<b>Activity 2</b>	<b>Activity 3</b>
Monday	Think of 4 snowy day similies. Remember a simile is a comparison using 'like' or 'as'  Eng 2.27a	In a Magic Square, each row, Column and Diagonal add to the same total. Make a Magic square using whole numbers; Make a magic square using decimal numbers. MNU 2.03a	Write the date and weather in French on each day you are not at school  MLan 2.13b
Tuesday	Create a timetable for a day you've had off. Remember to include the time you started an activity, finished the activity and how long you were doing it for. MNU21.10a	Keep your own weather diary. Read newspaper articles or watch the news on TV. Write your own newspaper report on how the weather has closed your school and what this means to you and your family Lit 2.26a	Invent something which will make watching television even better. It could be smell-o-vision, a waterproof television or a personalised remote control. Create a poster to show off your invention, including an explanation of what it is and why it's so good. Tech 2.01a
Wednesday	Section off one area of your garden. Measure and record the depth of the snow each day for a week. Put this data into a chart MNU 1.20b Did the snow depth increase or decrease over the week? Write down the sum that gives you this answer. MNU 2.20b	You should have a novel at home with you. Write a characterisation or summary from the novel Eng 2.31a	Put the same amount of water into 3 cups/containers. Add 2 spoons of salt into the 1 <sup>st</sup> cup. Put 2 spoons of sugar into the 2 <sup>nd</sup> cup. Leave only plain water in the 3 <sup>rd</sup> cup. Put the containers outside and record what happens the next day SCN 2.15a
Thursday	Build as many different 3D shapes as you can from the snow. Record in your jotter each shape you built and include the number of faces, edges and vertices that it has. MTH 2.16a	Write an acrostic poem called 'Snowy Day'.  Eng 2.31a	How many towns and cities in Scotland can you find beginning with each letter of the alphabet? Some letters will be impossible!  SOC 2.14a
Friday	If you have a camera, take a picture in the snow or cut a picture from a newspaper or magazine which shows the snow. Tech 2.04 Write 4 adjectives to go with your picture. Bring this back to school Eng 2.27a Lit 2.21a	Estimate how many snowballs you can make in 60 seconds. Check by timing yourself. Repeat this 3 times and get an average number. Using this data, work out how many snowballs you could make in- 1 hour; 1 day; 1 week; 1 month; 1 year. MNU 2.10b	Look at a newspaper and copy down the heading, description of any photo, number of columns, and the reporter's name. Think of a really good headline for an article about the heavy snow which will make people want to read more. Write an exciting article Lit 2.26a
