

If the school must close or you cannot get to school because of snow or very bad weather, these are the tasks you should do at home.

	Activity 1	Activity 2	Activity 3
Monday	Write a diary using words and picture of everything you do today.  Eng 0.30a	Measure the depth of the snow at 4 different places in your garden. Write down the results.  MNU 0.11a	Choose one day this week to record all the food that you have eaten. Highlight the healthy choices  HWB 0.30a
Tuesday	Find 6 bottles/cartons or containers in your cupboard or fridge. Put them in order from smallest to largest.  MNU 0.11a	Draw a picture of all the people and pets in your house. Write their names underneath the picture.  Lit: 0.26a	See how far you can throw a snowball. What happens if you use your left/right hand?  HWB 0.25a
Wednesday	With friends make 3 snowmen of different sizes.  What is the difference in height between the largest and the smallest?  What is the total height of all 3 snowmen?  MNU: 0.11a	Draw and label a diagram of yourself wearing snowy day clothes.  Write a description of the clothes and why they are appropriate for the weather.  LIT: 0.26a	Fill 3 cups with snow and put them in different areas of the house.  Take notes of the melting time for the snow in each cup  SCN: 0.05a
Thursday	Set up a pretend shop and price the things for sale. Buy the items and give the correct coins.  Have family buy things and give them change from 10p, 50p or £1.  MNY 0.09a	List all the furniture in your living room. Put them in alphabetical order.  LIT: 0.26a	Can you learn to say your home address and phone number?  HWB: 0.17a
Friday	Make a poster about keeping safe when playing in the snow. Go out, well wrapped up and have fun playing in the snow.  HWB 0.16a	Make a list of phone numbers for your family and friends.  MNU: 0.02a	Find something in your house for each letter of the alphabet.  Lit: 0.26a
