

Homework Grid P7/6 – September 2026

Must do tasks -

Literacy - Spelling As you read at home, note down new words and try to find out their meaning. You could create a personal dictionary of new vocabulary. Look at the Spelling grid for your group. Practise your Spelling words regularly. Use the strategies that help you best to learn.	Literacy - Reading Blooms question of the month: Remembering Who is your favourite character in Divided City and why? What can you remember about them? Choose a book to read at home. This can be the book you are reading in class or another book of your own choice.	Numeracy and Mathematics Topic: Estimation and rounding Video: Rounding Challenge: Work with someone at home. Write out the numbers 0-9. Take it in turns to pick four numbers and make a four-digit number of your choice. Try to round the number to the nearest 10, 100 and 1000. Also, continue to learn all times tables.
Health and Wellbeing SHANARRI indicator of the month: Safe Protected from abuse, neglect or harm. Draw a shield and divide it into 4 sections. In each section, draw or write: - Who would help you if you were worried, upset or needed help? - Where do you feel safe and why? - A rule that helps keep you safe. - Something you can do to help others feel safe.	Home Life Skills Try to learn important home life skills including; - make your own bed in the morning. - help to care for any pets you have. - be as independent as possible getting dressed, try to tie your own tie. - set the table for meal times.	IDL - Prejudice, Conflict & Sectarianism (Divided City) Suggested - Research famous landmarks/places of interest in Glasgow. - Learn about the history of Celtic and Rangers football clubs. - Speak to your family about sectarianism and share what you learn in class. RME - Create a prayer telling God about the things you are thankful for.
