Homework Grid

October 2026

<u>Literacy - Spelling</u> Access your spelling grid for your group below. Think about the ways that help you personally to learn your spelling words and use your own methods to practise building vocabulary, common spelling words & strategies and spelling rules. As you read at home, be curious about new words and clarify meanings to help build your own vocabulary. Create a personal dictionary to learn how to spell this new vocabulary.	<u>Literacy – Reading</u> Blooms question of the month: <u>Understanding</u> Red 'The Night Bus Hero' by Onjali Q.Rauf Blue 'Mosi's War' by Cathy McPhail - Summarise what you have read this week in 5 sentences. - Explain how a character is feeling at an important point in the novel. - Choose a book to read at home and bring to school for ERIC time. - Talk to your classmates about the books you read at home and recommend them to others.	<u>Numeracy & Maths</u> Measurement - Choose 5 objects from home and estimate/measure accurately their length, height or width. - Record your measurements using appropriate units and calculate the difference between your estimate and actual measurement. Times Table Challenge Think of the times tables that you find the trickiest to learn. Make it your goal for the month of October to learn these. Look for patterns in each times table and think of tricks to help you to learn.
<u>Health and Wellbeing</u> SHANARRI indicator of the month: Healthy ➤ Choose one healthy habit to practise throughout the month of October. ➤ Keep a diary to record your personal progress with your target My healthy habit is _____. I will work towards this by _____. This is important because _____.	<u>Health Promoting</u> - Eat a balanced diet and drink plenty of water. - Keep moving – be active every day. - Get enough sleep every night (aim for 10-11hours) - Take time each day to pause, breathe and be still. - Notice the positive things in your day and take time to think about acts of kindness. <u>Reminders</u> ☺ PE kit on Wednesday & Thursday ☺ Water bottle every day ☺ Full school uniform, including tie to model P7 standards to younger pupils	<u>IDL - Glasgow</u> - Choose a Glasgow landmark, building or place and research interesting facts about it. Present your findings as a mini=information card, poster or digital slide. - Challenge – look at how this landmark has changed over time and include facts about this. <u>RME</u> - Sacramental Preparations - Complete Confirmation workbook activities. The workbook will be coming home every Wednesday. Please ensure you bring workbook to school on Monday of each week. - Find time for prayerful reflections at home.
