

# Count the wildlife that's counting on you

## How many of these birds did you see?

Please write **the highest number of each bird species that you see at any one time in the boxes below**. So, if you see a group of eight starlings together, and towards the end of your hour you see six together, please write eight down as your final count. Where we don't show male and female birds, the sexes look similar, but not always identical.

Blackbird (your number should combine males and females)

Blue tit

Chaffinch (your number should combine males and females)

Coal tit

Collared dove

Dunnock

Goldfinch

Great tit

House sparrow (your number should combine males and females)

Greenfinch

Long-tailed tit

Magpie

Robin

Starling

Woodpigeon

## How often do you see other wildlife?

You may not see the creatures below in your hour (especially hedgehogs, slow worms and grass snakes, which may be hibernating), but we'd like to know if any have visited your garden or local park **in the last year** and, if so, roughly how often. Please put the appropriate letter from the key (right) in the box next to the animal. Please don't leave any boxes blank, so if you don't know write "F".

**Thank you** for helping us find out more about your local wildlife.

Badger

Fox

Frog

Grass snake

Muntjac

Great crested newt

Grey squirrel

Hedgehog

Mole

Red squirrel

Roe deer

Slow worm

Stag beetle

Stoat

Toad

## Key

**A** Daily

**B** Weekly

**C** Monthly

**D** Less than monthly

**E** Never

**F** Don't know

Some species do not appear in all parts of the UK.

### Other birds and wildlife seen in your hour:

### If you didn't do Big Garden Birdwatch at home, where did you do it?

Postcode

### How many people took part?

Adults   Children

## Here's how to take part in Big Garden Birdwatch

Miss R Jones  
ML2 9QW

Contact No: 164422149  
Source code: BWJNAM0162

- 1 Watch the birds in your garden or local park for one hour.
- 2 Only count the birds that land in your garden or local park, not those flying over.
- 3 The same birds may land more than once. To avoid counting them twice, please submit the highest number you see of each bird species at any one time in the hour – not the total number you count over the hour.
- 4 Tell us what you've seen in your hour, even if you saw nothing – it's still really useful information! Tell us about other wildlife that visits your garden or local park during the year too.
- 5 Please complete and return this form to the Freepost address shown below, or enter your results at [rspb.org.uk/birdwatch](https://rspb.org.uk/birdwatch)

Visit [rspb.org.uk/birdwatchhowto](https://rspb.org.uk/birdwatchhowto) to see just how easy it is to take part.

If you'd like to change how you hear from us, it's easy to do. Just call us on 01767 693680 (Monday to Friday, 9am–5pm), visit [rspb.org.uk/preferences](https://rspb.org.uk/preferences), or write to Supporter Services, The RSPB, The Lodge, Sandy, Bedfordshire, SG19 2DL.

**Thank you!** Tell us what you saw online at: [rspb.org.uk/birdwatch](https://rspb.org.uk/birdwatch) using code **BH35**. The survey results will be announced on 28 March and summarised on our website.

Please let us know your results by **13 February 2018**. If you'd rather return your form by post, please put it in an envelope and write **Freepost RSPB BIG GARDEN BIRDWATCH** on the front. Please ensure only this wording appears on the return envelope. This is a short address, but rest assured it'll reach us.
