Things to remember:

Children are able to go home for their Christmas Parties, they should be collected at their classroom door by a responsible adult at 12.30. As the party does not start until 1.30pm, pupils who need to change in school can do so at 1.15pm. Staff will be on hand to help. Pupils cannot be collected before 12.30pm and we do not have supervision for children to come back into school before 1.15pm even if they have their party clothes on.29.2
