Thursday 12th October – we are holding our 'Come and See My Classroom' session for parents and carers to come and see what is happening in your child/children's classroom (s). We anticipate this will begin about 2.15pm, finishing around 2.50pm. Due to space in the classrooms, we are only able to accommodate 2 guests per child and buggies/prams will need to be left in the Open Area. We hope to see as many parents/carers as possible, more information to follow.
