YEARBOOK  
93-94

## FOREWORD

I am very pleased to be able to introduce our first ever Year Book.

Most adults look back on their school days with pleasure and with a feeling of nostalgia. This book, and its successors, will provide a focus of attention for years to come. As I said to many class groups, as they were being photographed for the Year Book, the book is not just for them but is for their children and even grandchildren. I certainly will look back on each edition with pleasure.

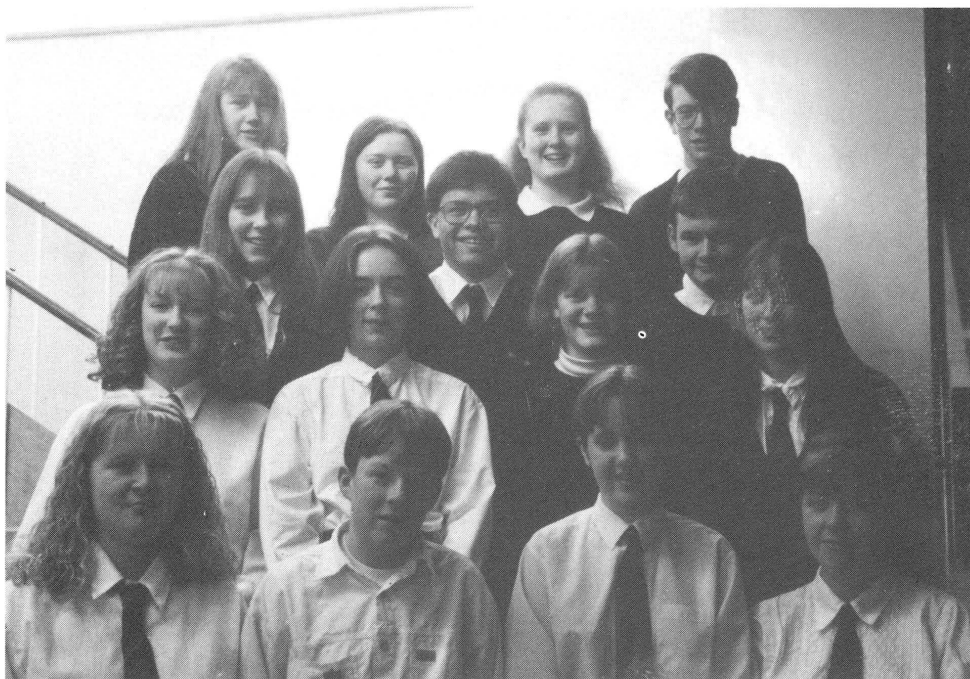

The Committee have worked very hard in this production and I congratulate them on their efforts.

John Mitchell

CHEESE!

WHO'S A LUCKY BOY THEN?

It was red-hot, hip and happening at the S1/2 Halloween Disco on 27 October 1993. Although no one was brave enough to dress up, there was a good turn out which made it a really excellent evening for those present. As you can see from the photos, everyone had a great time.

# Greenfingers!

During May, June and August, 30 of our pupils were involved in making a programme with the Beechgrove Garden Hit Squad. The Hit Squad wanted to turn a derelict, overgrown gully at Highland Park grove into a Pocket Wildlife Park. The idea was to improve drainage, clear up litter and get rid of

'unwanted' invaders like Japanese knotweed. After this the pupils would lay paths, design and install a footbridge and improve access to the site... The final step was to plant the site with bulbs, trees and shrubs, which would be attractive to a wide range of wildlife and provide a pleasant area to walk through.

The pupils involved worked very hard. One day they laid 15 tonnes of stones for the paths! They found out that it is not easy to turn ideas of environmental improvement into reality. They also found out that filming for television can be boring and exhausting as well as interesting!

The Hit Squad Special was shown in February. The whole twenty five minute programme was devoted to the project and there were some "remarkable" performances from some stars in the making.

# All Around

The France Trip 1993 was very successful, with pupils visiting Le Touquet, Paris, Boulogne, Rouen and also a theme park in Belgium. However (much to Mr Macnivens disappointment!) the trip to the Calvados distillery was cancelled.

# The World

Five staff and Thirty + pupils travelled to Ediger Eller on the Mosel in Germany for a week of sight seeing and language practise. There were trips to many towns including Cochem and Rudesheim as well as activities such as wine tasting, visits to Museums and Phantasialand. The trip was ended with an unplanned drive through Luxembourg.

Easter 1993 saw a group of pupils pay a visit to Normandy in France for a week. Once again, a good time was had by all with Scottish-European relations enhanced.

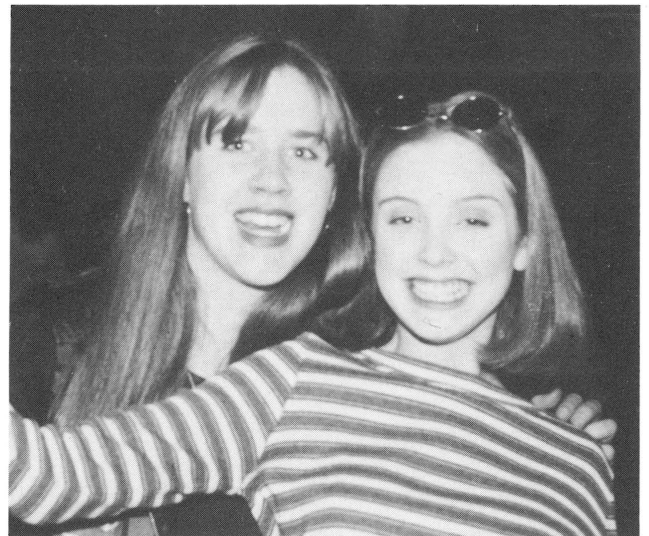

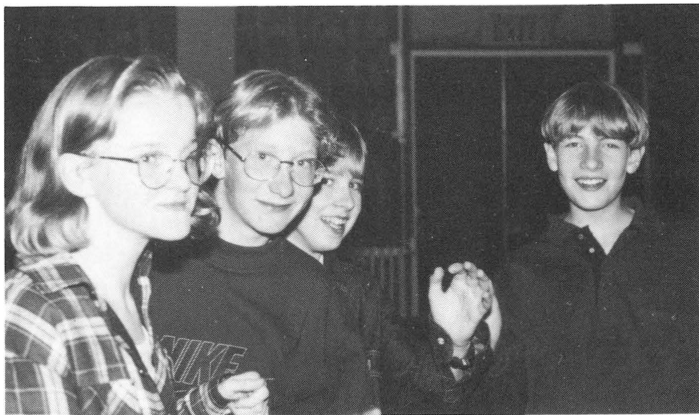

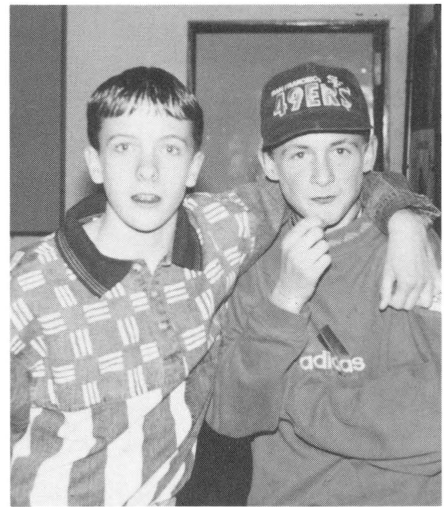

# Fiendish Fun!

## S3 - S6 Disco

This year's disco was a roaring success, as the third and fourth years joined up with the fifth and sixth years to produce a highly enjoyable evening for all.

# HOSPICE APPEAL

Kilsyth Academy had a famous visitor recently in the shape of Lesley Fitzsimmons, otherwise known as Sheila in *Take the High Road*. Lesley, a former pupil of the school, was there to collect a cheque of more than one thousand pounds on behalf of the Daily Record's Children's Hospice Appeal Fund. This total was raised through a sponsored quiz organised by the Modern Languages department.

All first and second year pupils had the opportunity to enter the quiz which was on either France or Germany. The task for the pupils was to answer twenty general knowledge questions on one of the two countries. There were four prizewinners, two for each subject. David Ross (S1) and Ailsa Chisolm of S2 won prizes for collecting the most money, while Richard Morton and Tracey McAuley, both of S1, received

awards for the best entries. The presentation of the cheque took place in front of a first and second year assembly, with Lesley there to collect the cheque and present the prizes.

# Competition winner

The first thing you will have noticed when you picked up this book will have been the cover. In desperate need of inspiration for a cover design, we decided to run a competition open to every pupil in the school. After being flooded with entries, we finally settled on the one by Jennifer Mark, pictured here, of class 2H.

# Crazy Day Talent

PAGE SPONSORED BY: KILSYTH ACADEMY PTA

The fund raising extravaganza of the year took place on 22nd December 1993 in the shape of Crazy Day. This event involved the whole of the school in a wide variety of activities like basketball shoots, crazy games and a music quiz. However, the highlight of the day was the Staff Talent Contest which gave pupils the chance to see their favourite teachers humiliate themselves in public. All in all it was a successful day with £736 raised for Shelter and 326 items of provisions and toiletries collected for the Loaves and Fishes Street Mission.

# Ski Trip '93

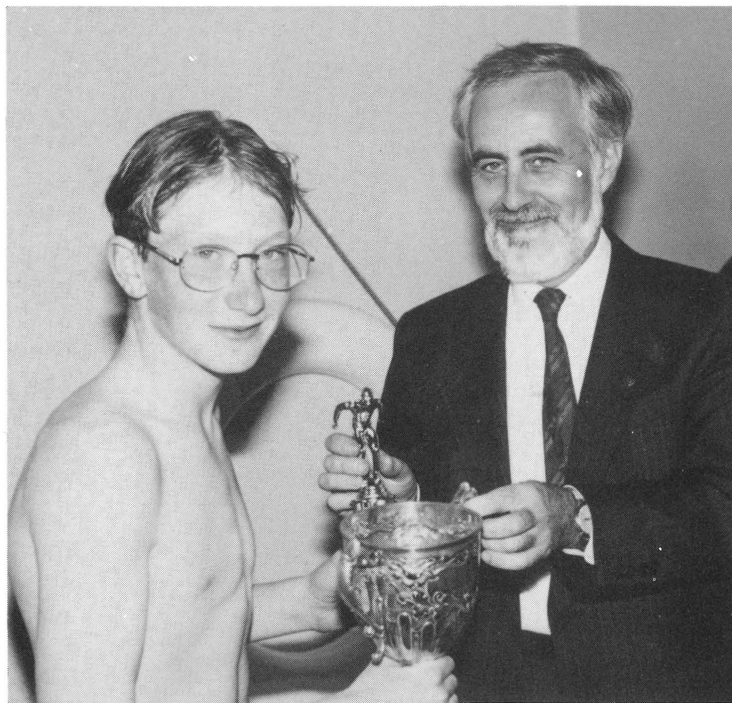

Four members of staff and a group of senior pupils accompanied forty S1/2 pupils on a weekend trip to Newtonmore.

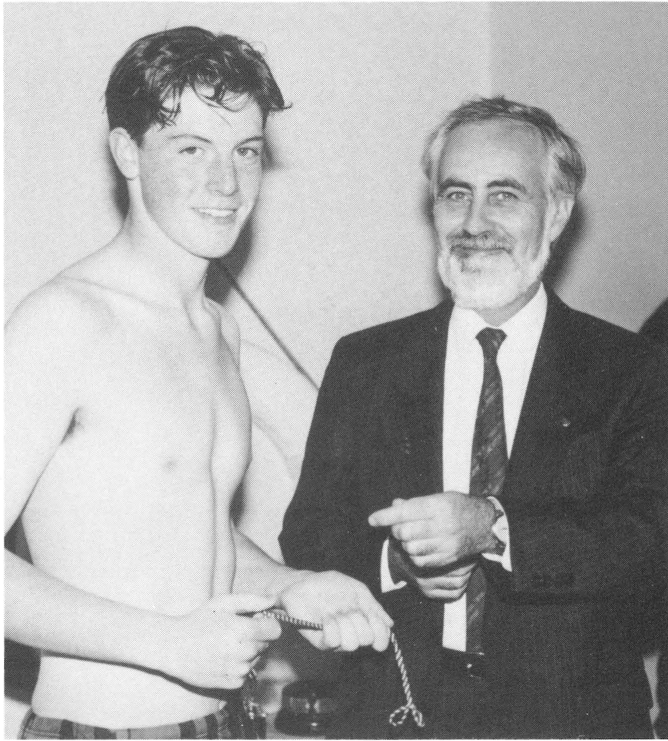

The group travelled to Newtonmore via Perth Leisure Pool where time was spent on the flumes. A ride on the Gondolas took every one to the Aanoch Mor ski slopes. For most this was their first time on skis - the instructors had their work cut out. Sunday off to the Cairngorms where the pupils were 'let loose' on the slopes to ski with the staff and thankfully there were no casualties.

# Senior Swimming Gala

The 1993 Senior Swimming Gala was once again a splash hit. Both spectators and swimmers enjoyed some fierce competition as pupils battled against each other in the school pool. The overall individual winners turned out to be sister and brother, Judith and Euan McRae, right and above. The house champions were Balmalloch.

# School Sports Day

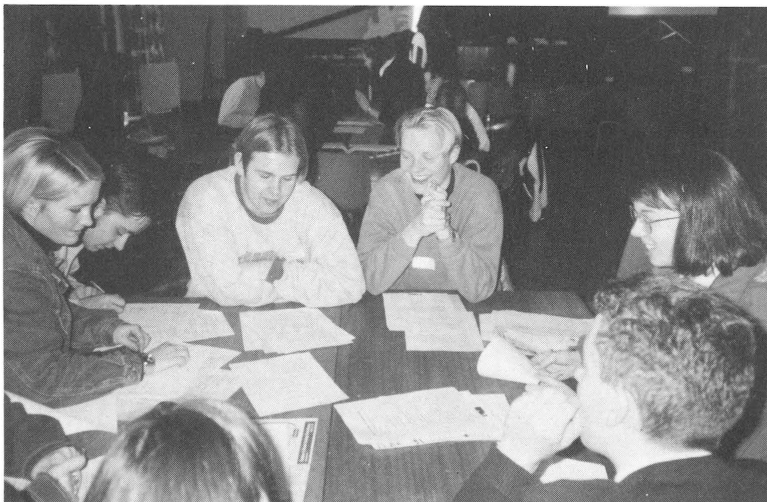

The winners of the Juniors School Sports Day were:-  
3L, led by Iain Harrison and Jenna King and 2S, with team captains Colin Bell and Laura Anderson.

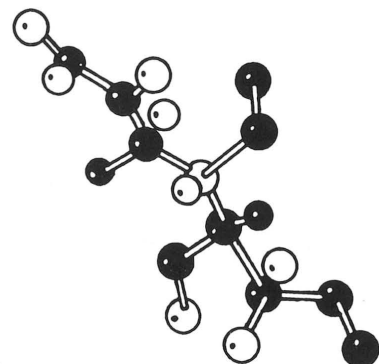

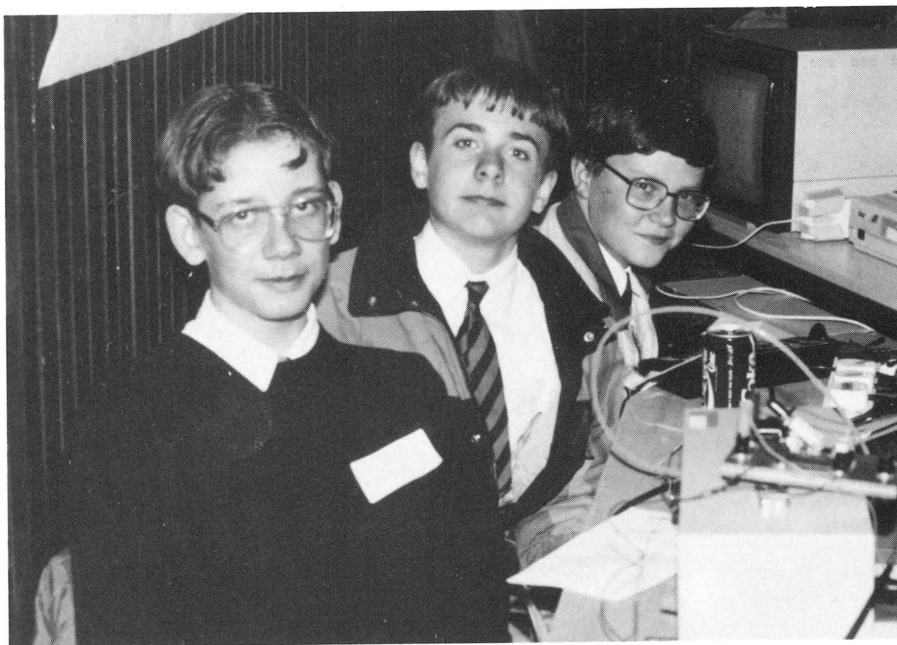

Friday 28th January was the day of the school's first "Challenge of Industry", attended only by 6th years and representatives of the outside world of industry. During the day we were subjected to questionnaires, diagrams, production lines and stress! Overall, the results were that it was a success and that the school should run it again.

# Challenge of Industry

# Eureka!

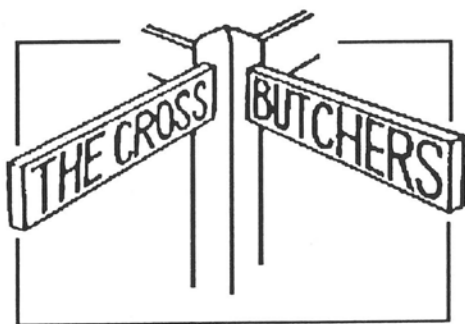

June 1993 saw Kilsyth Academy hosting the Young Technologists Competition. Organised by Mr Bryder, teams representing several schools within Dunbarton Division were asked to build a working model of a fairground ride. It was judged by a group of selected judges and although Kilsyth Academy didn't win outright, they did pick up several prizes for their inventions.

# FUN ON THE RUN!

On the last Friday of the summer term, the school held a very successful fun run. A large number of pupils competed as well as a few energetic teachers. Although it rained very heavily and the conditions were dangerous and slippery, nobody was actually injured. Everyone enjoyed themselves and £158 was raised for the Yorkhill heart scanner appeal.

# The Final Fling

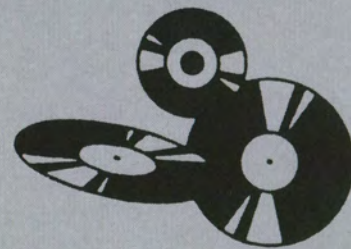

It was a night of mixed emotions. There was enjoyment at the actual event and sadness that it was the Sixth Year's last Christmas social ever. The evening got off to a shaky start when the DJ didn't turn up and we were subjected to Mr Simpson and his amazing collection of Highland dancing records. The day was saved however when the DJ arrived and sanity prevailed with more conventional disco music.
