Ski

The stress of leaving K.A. was too much for Boon

The best trip ever! That was the verdict from all who were on this year's ski trip to VAL DI FIEMME in the Italian Dolomites.

A party of 36 pupils, 4 staff and 7 FPs enjoyed excellent ski conditions with 6 inches of snow falling on the 3rd day.

Right, let's go find the piste....

Everyone's ability level improved over the week with the beginners amazing everyone with their progress. Our Italian instructors were very good and Danielle and Ricardo proved a big hit with the girls (and Miss King!).

Senior

The annual senior social, held in Kilsyth's very own Colzium House in June of last year, turned out yet again to be a great success. Both pupils and teachers came dolled up in gorgeous dresses, ball gowns and some boys even braved a kilt! The food was excellent and the wine (amongst other drinks) certainly went down well. To follow on from the dining, some serious dancing took place. Even Mr. MacRae managed to show off his "moves" on the dance floor! The night was filled with laughter, happiness and the odd tear shed by the old 6th years saying goodbye!

Now we know where all the wine disappeared to, eh Mrs Abercrombie?

Fame

The 7th November 2002 saw yet another successful talent show at Kilsyth Academy, "The Year-o-Vision Song Contest!" The acts included talented singers and dancers, who performed songs by Shakira, Vanessa Carlton, Shania Twain, The Calling, Britney Spears, Destiny's Child, Enrique Iglesias, Sugababes, Norah Jones.....

The show was a popular attraction with both pupils and locals. All tickets were sold, which was a clear reflection of the hard work put into producing such a fantastic show. The audience clearly enjoyed it and were impressed by all those who took part.

Band of

In September, a group of sixth year pupils attended the outward bound centre at Loch Eil. The weekend was full of exciting fun and sometimes scary team building activities which more often than not resulted in amusing consequences. The weekend was a great success and enjoyed by all those who attended -but lets just say the Sixth year's rafting skills leave a lot to be desired!

Sam's traded Miss Kane for a donkey. What a bargain!

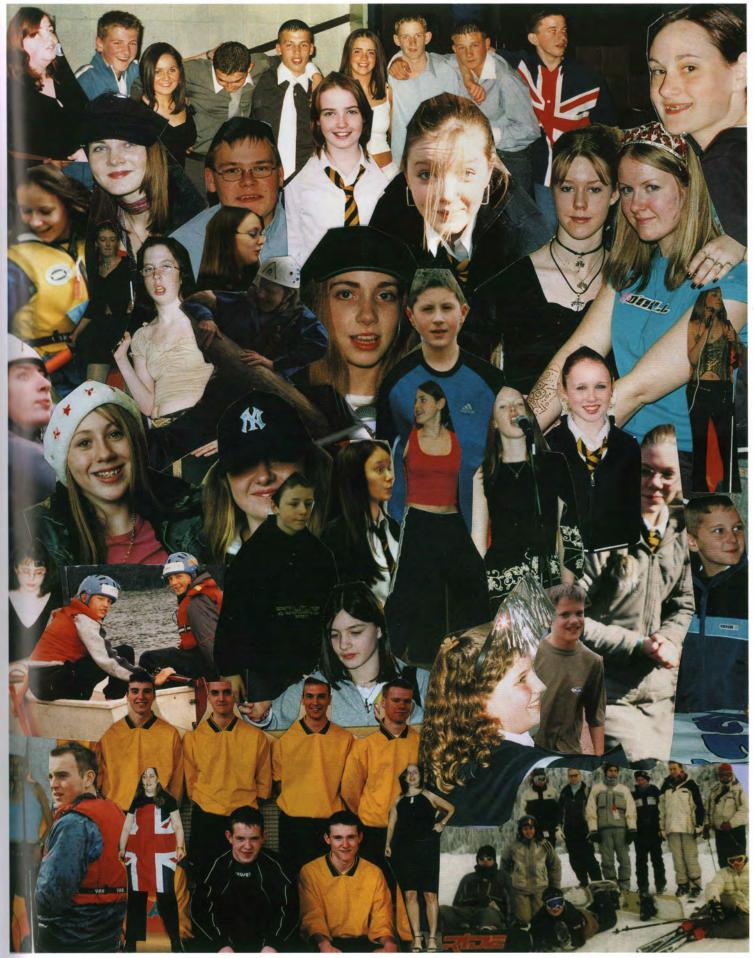

In October 2002, the delectable Miss Kane along with five KA pupils embarked on the trip of a lifetime to Morocco. After a brief delay in Casablanca, the troop visited such places as, Marrakesh, Sahro & the Sahara desert making time for mountains, camels and shopping - much to Miss Kane's delight-along the way. As well as all this, the trip also enabled the group to get to know each other a little better, revealing Sam's need to win at cards at any cost, Sarah's fascination for Moroccan men, Rowan's break dancing abilities and a mutual love for laughing cow CHEESE_

Get in there, Sarah!

Top of the Pops

Kilsyth Academy's musicians are back in full swing.....

In December 2002, after months of practice, Miss King and her clarinet ensemble played to crowds in Princes Square. Along with a "willing" charity box collecting team, the day was a great success, with the pupils playing brilliantly.

Amy yet again managed to catch a man in her grips

Jamie never ceases to amuse people, especially others...he's so special!

What you don't know is that Mr D took his money back after the photo!

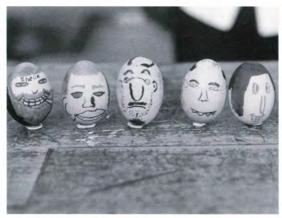

In May 2002, the annual Young Musician of the Year competition was held. Pupils from 1st to 6th years took part and everyone played at an exceptionally high standard. The winners were: Graham Stirling, Morag Dunn & Mairi MacKinnon

I'm A Sixth Year... Get Me Out Of Here

Elisabeth Alford (Left)

We hope that this year's Sixth Years have left a mark in the school, whether it's from the hard work shown by all when it comes to their Highers, prefect duties and of course, Yearbook or from the renowned "doctor appointments" - to all of you who are in the dark... driving lessons. Every single Sixth Year has their own very unquie and er... special personality, and although not written about will be remembered forever by their fellow students. The Sixth Years have had a brilliant time at this school and whatever the future holds for them, they will always think of KA as a stepping stone, helping them to tackle the challenges which they will face in later life!
