QUEEN

Aside from the huge alterations to the school building, one of the biggest changes that has taken place in the Academy this year was the arrival of our new Headteacher, Mrs Caldwell. Her arrival in August meant big changes with new rules, new discipline measures and a whole different atmosphere in the Academy. She instantly built up close relationships with staff and pupils. She soon moved on from her time at Clyde Valley High School and settled in well to life at K.A!

Below, Mrs Caldwell reflects on her first year at the Academy:

Welcome to the Yearbook for 2005-2006. This session has certainly been a memorable one for me, being my first in the Academy and, due to the superb efforts of the Yearbook Team, these pages guarantee that it will also be a session to

remember, for you too. When we look back at this year, I am sure we will reflect upon a year of change and development in many aspects of school life. Parts of our building have gone and new accommodation is taking shape; seniors prepare to spread their wings and meet the challenges beyond school while S1 settle into life in the Academy; staff move on and new teachers arrive (including Head Teacher).

Too often the busy nature of a school means that we lose sight of all that we really do achieve. One of the appealing characteristics of the Yearbook is to provide a colourful reminder of those feats.

It is important that I pay tribute to the Yearbook team who have produced this fine record of events. Their perseverance, patience and persistence have paid great dividends, as this colourful publication surely shows. So, prepare to turn back the pages, turn back time and trigger your own favourite memories of the year just past.

Gillian Caldwell

The Yearbook Team quizzed Mrs. Caldwell to find out a little more about the lady who now calls the shots at KA:

What first attracted you to the infamous KA?

The school has a great reputation and that first grabbed my attention.

And where do you prefer - the Academy or your former school, Clyde Valley?

I like them both in different ways. At Kilsyth there is always loads going on and great opportunities.

What changes do you plan to make to the school?

Well the refurbishment going on this year will obviously be a big change and after the refurbishment is over there will hopefully be improvements in the Expressive Arts department. I also hope for the school to become a 'School of Ambition.'

On a more personal note, what was your favourite subject at school?

Maths! I used to be a Maths teacher.

Now down to the nitty-gritty; Mr MacRae or Mr McKay?

That's not fair... I'd be lost without both of them!

Favourite pupil?

I love them all the same!

And you favourite member of staff?

I love them all the same as well!

School Captain

Debbie Finlayson

Firstly, a big well done to Stuarty for taking time away from his babysitting duties; secondly, to Hendy for rescheduling his driving lessons (which he still used as an excuse even after he passed); and thirdly, to Greeeeeigor who finally got a Mrs.

After Amanda decided to ditch school and Sarah kept falling into paddling pools, we thought the Yearbook was never going to happen. To add to the banter, Sarah Lindsay and Chris Hudson stayed in 'working late', Wilber begged for more work, Laurel used all the techy printer ink, and our intellectual Lindy Wright asked 'how do you spell intelligent?' - how could I doubt its success?

However, I have to say that the Yearbook team pulled it all together and have produced the best Yearbook yet!

BACKSTAGE VIPs

It is safe to say that the Academy would be lost without its very own Backstage VIPs, who make sure that everything runs smoothly from school day to school day. The cookery talents of the delectable dinner ladies keep us going from morning through till lunch, the janitorial team and cleaners endlessly ensure that our surroundings are clean, tidy and safe to work in, and our auxilliary staff are always on hand to help us retrieve those hard to find files and constantly fix the photocopiers.

Where would we be without them?

welcome To Th

After a few weeks trying to fit into life at KA it was decided that our new first years deserved a disco to welcome them to the school! The second years were also invited along to 'get the party started' and the 6th year prefects did a good job of creating the party atmosphere!!! All the guys and gals looked superb in their party outfits and by the end of the evening, the first years certainly felt part of the school community.

Oh what a bunch of posers!

Pals!

Kelvin House

Aidan Butler and Laura Hartley were voted in by fellow house members to represent and organise the House in order to compete with the Academy's other 2 houses Montrose and Lennox during session 2005-2006. Many of you may have had the pleasure of being pleaded with by Aidan and Laura to take part in a variety of house events but the pair have shown great personality and, because of this, have been successful in finding many superb competitors for the events.

Adam excelled in the x-country - as always!

Kelvin's Junior Swimming Relay Teams and Girls Individual Champion; Stephanie Taylor S1

LENNOX HOUSE

After fighting off fierce competition for the posts of House Captains, Gary Thomson and Ann Davidson found themselves taking the job over various other hopefuls. They have proved to be a huge asset to Lennox this year, supporting and motivating all of their participants in each of the events.

The victorious football team

Lennox House Captain, Gary Thomson, plays a major part in all the house sports activities, even though he wears the same outfit each time! There has been healthy competition between all of the houses this session, Lennox have taken the lead most of the year, after clearing the floor in the Junior Netball, Senior Football and also the Senior Badminton, to name just a few.

All the members of the editorial team were wondering why we had such vast amounts of photos of Lennox participants from each of the events, only to realise that behind the camera stood Ann the other Lennox House Captain

Strictly Come Dancing

Throughout the year, the Academy has been represented by various pupils in a number of dance competitions. Although they all put in a great effort, the Academy's very own Breakdancing group stole the show by winning their category at the St Maurices NL dance competition.

"Stay Healthy, Stay Wise, Fitness is for Life"

MONTROSE HOUSE

Christine McBride and Colin Millar were the successful candidates for this session to lead Montrose House to victory. It might not have gone totally according to plan throughout the year but they have managed a fair amount of success, including a strong team in the Badminton tournament along with their very athletic swim team in which the girls' team stormed away to beat the other houses with no problem. Laura (House Captain of Kelvin) and Christine have been fighting vigorously about who is going to win the House Trophy.

Storming ahead during the senior X-country, the Montrose Girls look up for a fight.

COUNTY SPORTS

Once again Academy pupils were very successful at North Lanarkshire's County Sports last June. As always, they brought home a large collection of medals and did themselves and the school proud! Congratulations to everyone who took part!

Public Speaking

As ever, the Senior Public Speaking Contest was a memorable event in the school calendar. As expected, there were a huge variety of topics discussed with some very different presentations - some quite serious, with others taking a more humorous slant. All of the speakers were fantastic - but as always, there could only be one winner, with 6th year Amanda Howes taking the Public Speaking Award. 5th years, Laura-Ann Maguire and Katie Richardson took the runner-up awards! The speeches were all amusing and insightful and the audience were enthralled by all our speakers. The Rotary Club representative who came along to present the awards said that the speeches were some of the best he had heard in the Academy! Well done guys!

Amanda, Katie and Laura all smiles after their success in the Public Speaking Competition.

Days In Our Lives?

The 27th of February to the 3rd of March was a rather surreal week in the Academy. Bizarre things happened - like English teachers dressing up as Harry Potter characters for World Book Day, and Dinner Ladies just, well, dressing up and handing out free sweets! RANDOM or what?! It could only happen at K.A.!

Wonderland

On Friday 17 June, the Quality Central Hotel, Glasgow played host to the Academy's Annual Senior Social. Seniors and teachers alike donned their best frocks and hit the dancefloor to dance the night away. Whilst staff left soon after midnight, the seniors continued the partying upstairs, making sure to steer clear of the hotel's hall wardens. The evening was a huge hit and we can't wait for the next one.

WHY DOES IT AL

On Friday 26 August a group of 39 56 pupils set off for a weekend filled with adventurous team building activities at Outward Bound, Loch Eil. Lets just say it was an "enlightening" experience! After all that bonding, things have never been the same!.

TWRD

One Wednesday evening a bunch of nutty teachers and, should we say, rather over enthusiastic seniors, set out to scare the living daylights out of the S1 Award Winners. Seven groups of pupils were escorted around the school to several destinations, where they were shown the true nastiness of their teachers. The brains behind this cunning plan, Mrs Keogh, used her charms to persuade teachers, and their sidekicks, to set up their classrooms as creepy caverns and dingy dungeons. Not only this, she managed to recruit some truly cruel science (yes, that would be you Mr Neilson and Mr Reilly) to replicate an evil doctor operating on his well and truly awake patient. Fro screams that came echoing down the corridors it sounded like a very succesful night was had by all. The seniors showed that their true talents lay in jumping out from the carrels and the sick bay, in addition to several other dark cubby holes around the school.

Once again the Yearbook Team organised a fundraising Talent Show to entertain the masses! This year the Academy played host to the KA Factor, complete with a number of superb acts, worthy winners and 3 delectable judges! After an amazing show the winners were announced. Sidekick took third place playing Oasis', 'The Importance of Being Idle,' Amy Angus took second place performing Alannis Morissette's 'Ironic'. However, the winners of the night, who stole the show, were the Academy's very own breakdancers, 'Free Dynamics,' with Craig Henderson, Greig Whyte, Stuart Angus, Kristoffer Wilson, Robbie Wilson and Steven Lochrie.

Special thanks to the yearbook's business team for organising the event.

This year was no exception with various activities held in the morning to keep pupils amused; from henna tattooing and sweet-making to cinema and breakdancing lessons, not forgetting the notorious PE Olympics and Techy Carnival. All this was followed by an 'interesting' show in the afternoon put on by 6th year pupils and staff. The day proved to be memorable and very enjoyable for everyone that took part!

Mastermind

Kilsyth Academy played host to the annual Kids Lit Quiz for the West of Scotland heat. Schools came from the surrounding area to compete for a place at the British finals and to be in with a chance of a once in a lifetime trip to Australia. Even the hall got dolled up for the occasion with coloured, co-ordinated balloons and a beautiful banner made by Miss Mitchell and pupils. With questions on a wide variety of subjects from Harry Potter to publishers' logos, it was a close competition from start to finish.

Our own team put in a valiant effort and their supporters certainly made themselves seen with colourful banners and heard by chanting "Go KA" slogans! The KA team excelled themselves coming fifth with a final score of 70.5. Well done KA!

The ski groups assemble for a few snapshots.

Once again, Mr Dougan took the brave decision to venture abroad with his skiers for a fun-filled week in Italy. The conditions were by far the best the group had ever experienced and everyone agreed that the trip was unarguably the best yet! Just for the girls, both Daniele and Ricardo were on hand to improve the skiing technique of the whole group, and with the help of Paulo and Christina, everyone felt that their skiing had improved greatly by the end of the week. The evenings were filled with card games and some of the Academy's finest 'Crystal Decanter' (banter of course!), including a cross-dresser, our very own performance of Blind Date and visits to a gorgeous ice-cream parlour.

JET SETTERS

The famous yearly expedition to visit Holland, Germany and Belgium was once again led by Mrs Cummings, who sadly found this to be her last foreign trip with the Academy. Unfortunately for us, her new pupils Down Under will now be benefiting from her fantastic trips as last year's 3 Countries proved to be.

By the looks of it, everyone really enjoyed themselves. It seems the pupils were not the only ones to have had a good time as Mrs Cummings managed to find her way behind the bar, pulling the drinks for the staff. What a good influence! Mrs Cummings also managed to persuade various male members of the trip to dress in rather feminine clothing, although it appears that some didn't need much persuasion!!!

Overall, this year's 3 countries trip was a roaring success.

Doesn't look like your having much luck there Chiz. Maybe gambling should be left to the professionals!

Sir on the pull? Come on now....one at a time!

Some of the guys just couldn't wait to dress in drag!

Preparing to be Queen of Australia are we???

What are you doing with that balloon Jamie?

A PLACE IN THE SUN

The boys hide from Mrs Kerr - they must have been in trouble!

The Kilsyth Squad take Strasbourg by storm!

The girls take a break from all their sight-seeing!

Mrs Sutherland and her usual crowd of admirers!

Funny umbrellas on tour!

Last May, Mrs Kerr took the brave decision to venture abroad with a group of S1-S3 pupils! The party travelled to Strasbourg where they visited the European Parliament. They also went to theme parks, shopping and ventured onto a toboggan run! Everyone on the trip had a fantastic time and owe a big thanks to Mrs Kerr and all the staff involved!

Pleased to see you're on the water there, Mrs Sutherland!

Everyone seemed to be enjoying themselves!

EXTREME TEAM

Wet, Wet, Wet

Aye right! Very active!

What vertigo???

Think they made it to the top?

As per usual, the fearless fourth year once again travelled to Loch Eil for an action filled week of hard work and "teambuilding".

Lacey, stronger than she looks.

Tommorrow's World

Throughout the year, there have been various different events which have been held around the school. Mr Turnbull hosted a qualifier to a national engineering competition for pupils in primary 6. The day ran smoothly with the help of the 3 judges: Mrs Kerr, Mr Reilly and Mr Tolmie and also the school's fantastic captaincy team - Debbie, Alistair, Sarah and Lindy. The competitors were asked to design and build an item of playground equipment that was both imaginative and sturdy but also safe. The winners were Chapelgreen Primary who had shown a great deal of skill and teamwork and even humour when presenting to the judges.

In September, the school was taken over for Health Day. Junior pupils were given various different tasks and tutorials, including talks from the school nurse, Nurse Rae, and also a chef who introduced them to creative but healthy snacks, including that nasty pasta which he then lured any senior that entered the room to take photos into eating! How cruel!

MONSTER

This year, the Hallowe'en costumes were particularly impressive!

Captain Hook and Miss Massage!

Evening officers!

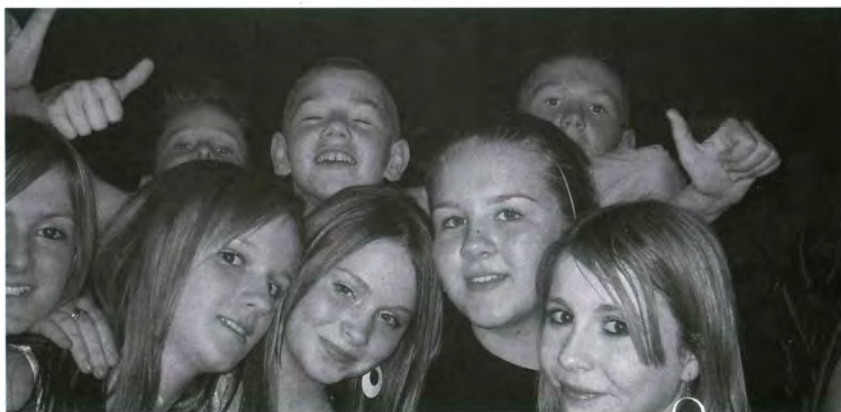

This may look to you like a normal evening in the school but it is indeed this year's Halloween Disco! As ever, everyone got into the spirit of things and dressed up with some decidedly terrifying costumes - in particular the ones purchased in Ann Summers! Even the staff made the effort with Mrs Keogh coming in costume after her very successful S1 Ghost Walk! The witches and wizards (and an assortment of other characters) danced the night away and made it a memorable evening for everyone! And on top of that we were introduced to Mr MacRae's twin - an even scarier version of himself! We didn't think it was possible!!!

Cat - are you sure you've got the right guy???

A burd on each arm? Not bad Rory!

The 2nd years all had a great night as well!

The 6th year girls were able to wear their normal clothes for one night only!

MASH

Smile girls!!!

I wonder where we found this bunch?!?

Nicole - only you could pull this one off!

You wouldn't cross these two on a dark night!!!

Guess who loves the camera?!?

Mr MacRae and his evil twin!

Looking gorgeous as ever, ladies!

Loving the hair!!!

Simply The Best

The

It's safe to say that we would be amazed if we're still sane by the time you are reading this. Producing this Yearbook has been nothing but a challenge over the past 6 months, what with servers taking a lifetime to move a photo half an inch, too many photos of seniors at junior discos, not enough photos from anywhere else and CDs going walkies - but we have to say we have enjoyed every minute of it! We will no longer think of Room 124 as the Techy Computer room but as Yearbook Central - our camp which we refused to be moved from. The local takeaway even started to deliver straight to our 124 door! A tip for next year's team - take as many random and varied photos as you can, store them on one computer and select the best otherwise the server has severe issues, as we found that out the hard way! We would like to say a special thanks to all the individual teams for pulling together and creating what we believe to be the best Yearbook yet! We hope you have enjoyed looking back over the past year with us and we wish a lot of good luck to next year's team - trust us, you will need it!

DTP Team: Christopher Hudson, Stuart Angus, Craig Henderson, Krisoffer Wilson, Greig Whyte.

Editorial Team: Amanda Howes, Laurel Thomson, Lindy Wright, Rachel Bateman, Sarah Lindsay, and Sarah MacKenzie

Business Team: Donna Goodwin, Laura Hartely, Christine McBride, Vhairi Taylor, Christine Webb and Jamie White.
Team Leader: Christine Webb.

Photography Team: Ann Davidson, Jessica Foulds, Sarah Raffery, Nicole Smith and Louise Wright.

Crazyness!

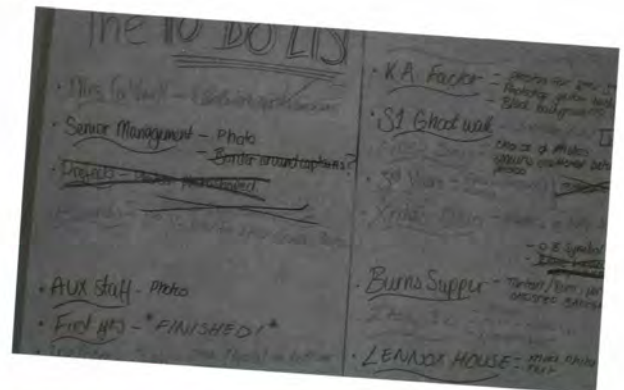

Nice one Stuary!

The Editorial Team pretending to work!

The infamous "To Do" list which covered half of the back wall in the DTP room!!

Random Yearbook Quotes

"...2 minutes"

"The dog and bone's ringin'"

"Chris, help!" (always shouted and usually by two or more people)

"The photos have gone to Canada"

"The photos have drowned/gone swimming/gone deep sea diving in the Atlantic"

"Argh!"

"Pizza!"

"GREIG!!!"

"Greig-gimme my shoe back!"

Something unprintable about the unbelievable, deathly slowness of the computers.

"Wow"

"Itz da boi"

Thanks!!!

The Yearbook Team would like to give a huge thanks to everyone who has been involved in producing this year's Yearbook. It wasn't easy, but we got there in the end!

We would like to say a very special thanks to:

Miss Reilly for her help and advice, proof reading and for keeping us on our toes, especially as the deadline grew closer.

The Technical Department for their advice, for letting us invade their computer rooms, using their computers every 'study' period we had, for using their flash drives, scanners and for allowing us to print out as many pages as we needed.

Mr MacRae for proof reading pages, taking the class photos and, most importantly, for providing us with endless supplies of Cadbury bars, Fudges and Chomps!

All the teachers for allowing us to borrow their classes for photos.

Manoel Amado and his publishing company for publishing the book, helping us find 'missing' photos and for advising us on our server issues.

To everyone in the school for allowing us to take their photos, even when they needed to be restaged a little!

We would like to say an extra special thanks to Mr Knight for helping us with every technical difficulty we've stumbled across, for his advice, for keeping us cool, calm and collected and for being an all round SUPERSTAR!!!

And, last but not least, to you, for buying this year's Yearbook. We hope you have enjoyed taking the trip down memory lane with us!
