Mrs Caldwell and Crew

Welcome to the Kilsyth Academy Yearbook for 2006-2007. The arrival of the yearbook is one of the eagerly anticipated moments of each school session and I am sure that this year will have been no exception. It is clear that we really do enjoy having our short-term and long-term memories triggered into action by the colourful photographs and witty reflections the yearbook faithfully delivers. I hope you will smile broadly as you remember the many happy times we have shared throughout another busy session and, of course, watch out for those embarrassing moments that the camera has captured!

Of course, our sense of anticipation is based on the expectation that each new volume in the history of the Academy will live up to the same high quality of all its predecessors. This new edition has clearly maintained that tradition of excellence and my thanks and congratulations go to our production team for their unstinting efforts throughout the year. I invite you to read and enjoy!

Gillian Caldwell

School Captain

Happin Guys! Well what a year this has been. A massive well done to the team for finishing the yearbook. After starting later than usual and being unable to get onto the network on deadline day...they really pulled it off! Also, despite contemplating several means of suicide, Hannah is still with us.

On a personal note, thanks to all the prefects for putting up with abuse while prefecting and saving me from the wrath of SMT when I forgot about parents' evenings.

From all the sixth years, a big thanks to the teachers at KA for preparing us for whatever comes next and making our high school years so memorable! Thanks Again. KB x x

The top picture was taken at the start of our 6th year before our prefecting duties began...The second picture was taken after a years' worth of being abused, battered and traumatised...Good luck to next year's prefects! This innocent bunch at the bottom were our link prefects who helped 1st years with their move to KA!

Student's Council

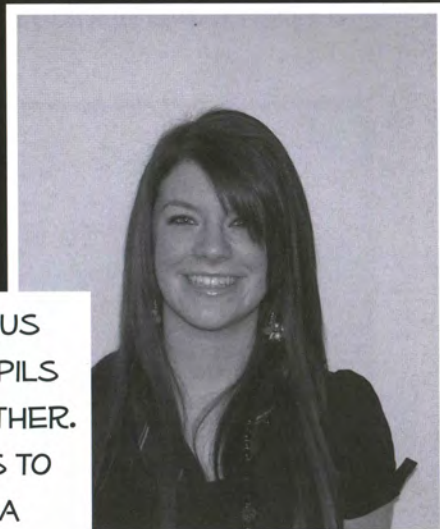

These lovely people make up Kilsyth Academy's very own Students' Council. Every year has 12 representatives, 2 nominated from every class, who regularly meet up to voice the students' thoughts and opinions on current issues in the school.

3 C's

As usual, the annual 3 Countries Trip was a huge success with Mr McKay, Miss Thompson, Miss Irvine, Eddie and a coach load of senior pupils heading off for a week of fun in Holland, Belgium and Germany! Although the weather could have been slightly better, nothing stopped them from terrorising the various theme parks in the area, soaking up the different cultures and even indulging in a little cross dressing! Nice!

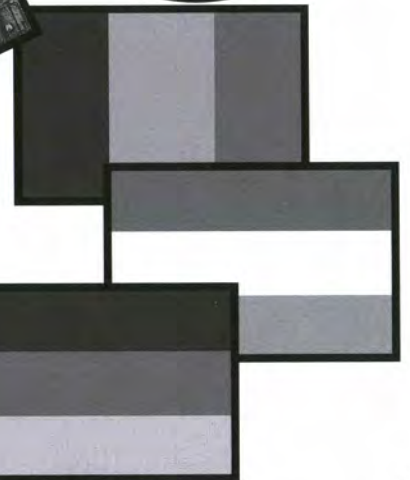

Who trusted these people with guns?!

Belgium didn't

it!

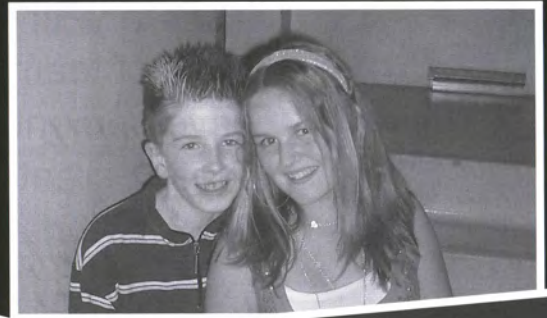

Welcome 2

At the start of the year the first year were welcomed to the school with a big disco! Both the first and second year pupils were there and, even though the sixth years took over, ever so slightly, everyone had a really good night.

KADISCO

Out And About

Last November a deserving bunch of 4th year went to Loch Eil for 5 days of team building and personal development. Although the weather wasn't great, it didn't get the group down and everyone came home with good memories that will last forever. Tasks included raft building, tree climbing and a whole host of ice breakers.

Enjoying the view?

Nothing like a relaxing cruise, eh?

LADS

& DADS

Around Christmas time the English Department held a fun night for some father and son bonding. There was even a special visit from football legend Alan Rough

KIDS LIT. QUIZ

Another event held in the school and organised by Mrs Burton was the Kids Lit Quiz.

Teams of 4 students worked together to answer a range of questions on books. This year Kilsyth Academy hosted the competition for the West of Scotland. Our team came 6th, quite an achievement considering the number of competitors!!

HONESTLY... IT WAS THIS BIG!!

HER 'BEND AND

MALONE

LAST JUNE, A GROUP OF PUPILS AND TEACHERS WERE INVOLVED IN THE PRODUCTION OF BUGSY MALONE. IT WAS A HUGE SUCCESS WITH VOCALS FROM KA'S MUSICAL STARS AND LIVE MUSIC FROM THE WIND BAND. THE STAGE ALSO LOOKED WONDERFUL AFTER BEING PAINTED BY A GROUP OF PUPILS DURING THE EASTER HOLIDAYS. LONG REHEARSALS DID NOT SEEM TO PHASE THE TEAM (AS SEEN BY THE PICTURES TAKEN...) THEY ALL APPEAR TO BE SKIVING!

SO THAT'S WHY MR
MACRAE LIKES
TIES SO MUCH!

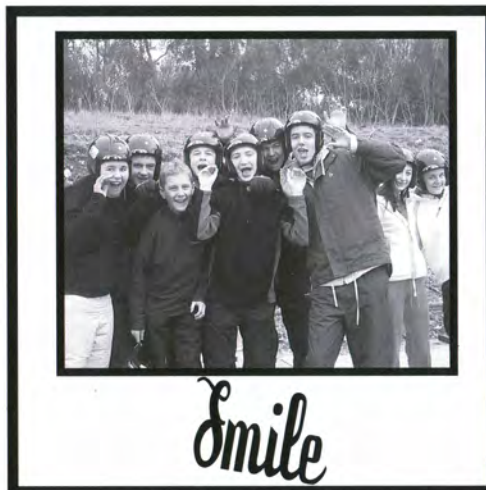

Aviemore

Mr Dougan's Motley Crew

Although there was a lack of snow, there was more than enough extreme wind...provided by Mr Dougan... and everyone enjoyed a weekend of fun and games!

Freshly crushed Coffey

Lennox

Crawford Clarke and Catriona Lawther have done an amazing job as House Captains for Lennox this year, (H and L Classes). Lennox have been untouchable, winning everything from the Senior Soccer to the Junior X-Country and, with several interhouse events still to take place, don't seem to be losing their lead.

Both Crawford and Delanie are obviously water babies!

Italy Ski

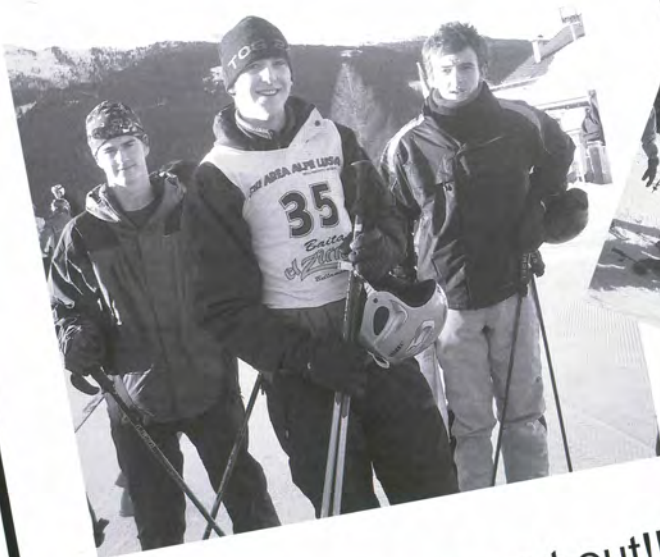

Italy this year was as eventful as ever. James 'Mo' Morrison, as usual, attracted a large amount of female attention. Jamie Hay, on the other hand, had a large amount of medical attention after 'falling' from a chairlift!

Don't give up the teaching, Dougan!

Before the Halloween disco,
some of the staff and senior

S6 Loch

At the start of the year around 45 S6 pupils earned a trip to Loch Eil to enhance their teamwork skills. Friendships were formed, relationships were strengthened and a brilliant weekend was had by all - one which we will never, ever forget!!!

Feeling the cold there, Natalie?

Craig thinking he was Spiderman...nice hat, by the way!

Ed Trip

To raise money to pay for our "holiday", 6th year collectively climbed Everest (in fancy dress)...and ate pancakes!

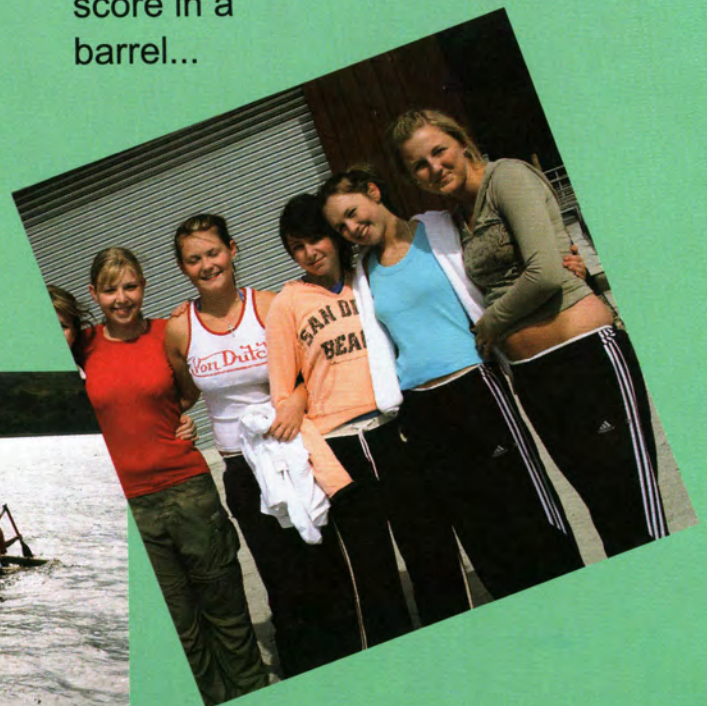

Vogue...Strike a pose!

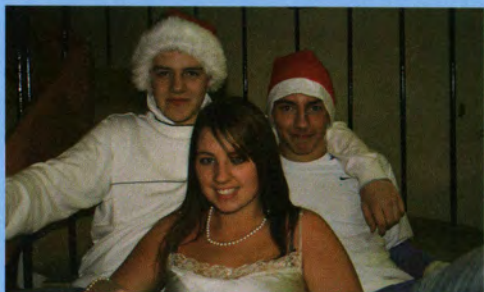

Couldn't even score in a barrel...

Our raft building skills were apparently not quite as good as our posing skills!

The Christmas Disco was, as always, a great night. Everyone enjoyed the ceilidh dancing, though some were better at it than others!!

CONCERT

Once again, a very successful Christmas concert was held in 2006. There was a variety of acts, including many bands, choir, singers and two funny extracts from "The Steamie", put on by the Higher Drama class. The large audience was delighted by the excellent performances.

T.O.T.P

These boys never miss an opportunity to be centre of

Instead of the usual Crazy Day events, Christmas 2006 saw the birth of 'Top of the Pops...Retro'! Despite having only 2 weeks to create the entire show, the 6th Year somehow managed to pull it off.. singing, dancing and KA's very own strip tease. It's still number one... It's TOTP!

Jennifer wasn't too impressed with the talent on stage!

Senior

At the end of each year, the 5th and 6th year students get dressed up in gorgeous dresses and handsome kilts, hire a limo and party till the sun comes up...and last year's social was one of the best! Everyone made a special effort...including Gordon M who went and got a fake bake for the occasion! An amazing meal was served to everyone, including muffins for dessert...mmmmm!!!

Social

Mr MacRae spent the night sporting the "Bob The Builder" look which he then passed on to Kirsty. After winning the battleaxe award, Mrs Caldwell will never forget her first ever senior social...let's hope next year's social is as big and successful!

Montrose

Craig Thayne and Nikki Strachan have worked extremely hard this year at captaining the Montrose House (Y and T Classes) and leading them through this year's Interhouse Championships. Montrose have proved to be fierce competition all session, and are closing in on Lennox by winning both the S2 Rugby and the Senior Badminton Tournament.

These are the people who have bullied several of you into competing various house events throughout the year.

Building

Throughout the year, we have had to put up with the noise of hammers, the continuous drilling and the dust which caught in every place imaginable...but we managed to do it all with a minimum amount of complaining. All the classrooms have been redecorated and some even moved to the other side of the school. The refurbishment is almost over and we now have a lovely school for the next generation of Kilsyth Academy pupils.

K e l v i n

Callum Wark and Erin Forsyth were the two elected captains for the Kelvin House this year (S and K Classes). They have been raking in the points by winning events such as the Senior X-Country and the S1/2 Netball tournament and they aren't showing any signs of slowing down for the events still to take place.

KENYA

2006

Life on "Melmin"

Jacqlyn gets her groove on

In June 2006, 13 pupils and 2 teachers travelled to Kenya for 3 weeks as part of a World Challenge expedition. The team worked together and took turns at leading, to budget the little money they had, find accomodation when they weren't in tents and generally survive! Over the 3 weeks, the group fulfilled a great deal. They travelled for hours in a rickety bus named "Melmin" to get from town to town, before trekking for miles in the scorching heat. They ventured through a rainforest, went on 3 amazing safaris, spent the night squished together in a tiny hut and for one of the weeks, helped build and re-decorate rooms in a primary school, while making good friends with the kids in the process. The biggest achievement of all though had to be that Team Kenya 06 took on Mount Kenya and reached the the highest point possible!

Don't fall off, Walker!

6th Year

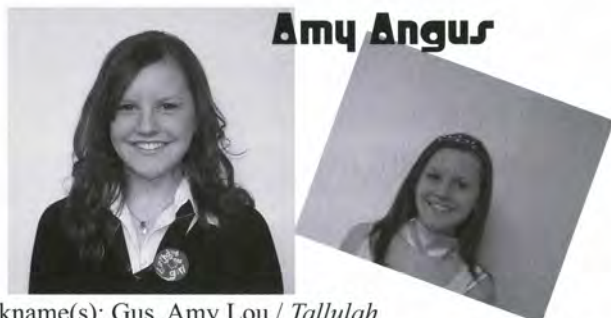

This year, the 6th years were asked a few questions about themselves and their friends were also asked to ensure the truth was being told (their version is in italics). The smaller pictures are images of us in the future...although I'm sure they're not all accurate!

Yearbook Team

Well, by now you've made your way through most of this year's Yearbook. Hopefully you've found a good few dodgy pics of you and your friends and had a laugh at the memories from over the past year. Now it's time to meet the brains behind the book! This is the team who gave up all their lunchtimes, study periods and even Easter holidays to sit in the graphics room and stress about how many pictures...we didnt have! Out of the goodness of their hearts they did not leave school till 6.30pm most Mondays and NO they didn't get paid with money or get given a free yearbook...as some thought!

This year's amazing front cover (if we do say so ourselves!) was designed by the Editorial Team and cleverly put together by Gail and Mhairi.

The Yearbook Team members were (L-R)

Business Team: Catriona Lawther, Ruth

Fotheringham, Gordon

Hawthorn, Lee Sherlock,

Lynsay O'Neill, Debbie

Aitken. **Editorial:** Hannah

Steward, Lyndsay

Somerville, Kirsty Walker,

Lysia Abercrombie, Nicola

Britton. **DTP:** Andrew

MacKinnon, Gordon Milne,

Stuart Thompson, Kirsty

Barrie. **Photography:** Gail

Kennedy, Mhairi Jack,

Ginny Kay-Gourlay, Amy

Angus, Katie Richardson,

Lauren Oliver and Jamie

Marklow. (Jenna Morgan,

Carly Shannon and Amy

MacGregor missed getting their photograph taken.)

Above are...the Business, Editorial, Desk Top Publishing and Photography Teams.

I know every year the editor says that producing a Yearbook is hard work, but they're not kidding! This year, the Yearbook started a couple of months later than usual, which didn't help, but the whole team have been amazing. Without all their blood, sweat and tears this Yearbook would not have been possible - so thank you. I owe you one! Oh, and Good Luck to next year's team... you'll probably need it!

Hannah Steward, Editor

Thank You

***To begin with we would like to say a big thanks to
YOU for buying the 2006-07 yearbook***

**A SPECIAL THANK YOU TO EVERYONE WHO HELPED IN ONE WAY OR ANOTHER TO PRODUCE
THIS YEARBOOK AND MAKE IT SPECIAL**

Especially...

**Mr Knight for giving up all his spare time to upload photos, solve our
problems and put up with ALL our moaning**

**The Technical Department for allowing us to gate-crash their classes, break their
computers and use up all the ink in the printers**

**Mr MacRae for the endless supply of both photographs and
munchies (it was much appreciated) and also for proof reading
all those half finished pages**

Miss Reilly, also for all her proof reading

**Thanks to Manoel Amado and his company for moving the deadlines and doing such a
great job in publishing this book**

**And finally, after months of stressing, fighting and a lot of wasted
time, the end has come and the Yearbook is over. We hope you all
enjoyed flicking through it as much as we enjoyed finishing it!**
