

FOREWORD

Last Year we had our first ever edition of a Year Book reviving a tradition of school magazines which had faded away in the 1970's. The success of 1993 is being repeated this year.

This Yearbook will provide a reference for pupils and staff to look back on many years from now. I am sure it will provide hours of pleasure for the children and even the grandchildren of our current pupils.

The Committee have worked hard in the production of this book and I congratulate them on the very high standard they have achieved.

Kilsyth Academy students show a lot of enthusiasm for any initiative which takes place in the school - like the Yearbook or the school show. Visitors to the school are very complimentary about the positive attitude and commitment shown by our students. The school has a high reputation in the community because of this.

Mr. Summers

Any school is only as good as the people who attend it. We have a school which is happy, where lots of things happen and where there is plenty of good, solid academic success. That speaks volumes for our students!

Mr. MacRae

It's a good school and pupils are quite friendly and hard-working (well most of the time). I enjoy my work and contacts with pupils both in and out of class. It's a pity that there are so many names to remember. Sharing an office with Mr. Summers is an experience!

Mr. Duncan

I should like to thank the yearbook team for the enthusiasm, hard work and perseverance which they have put into the production of this memento of another fun-filled, action-packed and successful year at Kilsyth Academy.

Mrs. Espie

CRAZY DAY

On December 22nd Kilsyth Academy went "CRAZY"! The morning consisted of pupils and teachers attending various events around the school. There were some very strange games in the gyms, keep fit in the library, table tennis in the maths rooms and carnival games in the technical department. In the afternoon everyone met in the assembly hall to see members of staff and senior pupils compete against each other in our very own "Gladiators" competition. Gladiators such as Deadly Lampshade and Skoda battled against the very cream of the senior school and although the official result was that the staff won, many of the pupils felt that the referee, Mrs. Espie, was every so slightly biased! The day was finished off in great style with the Kilsyth Academy Fashion

Show, in which staff and senior pupils again took part, modelling the most up to date fashions?!

Although everyone enjoyed themselves, the main object of the day was to raise money, and yet again the school came up trumps, with £1000 being donated to the Red Cross and and £250 given to "Loaves and Fishes" a Glasgow based charity for the homeless.

Keeping Fit at

Throughout the school there are various clubs and teams that both pupils' and staff can take part in. The pupils football team play regularly against neighbouring schools and the staff team also plays against other schools as well as our own pupils. The senior badminton team has enjoyed a successful year with several of its members reaching the finals in numerous competitions.

This year the school refurbished the swimming pool, which means that now people using it do not have to survive the icy waters. In an attempt to improve the general fitness of the staff and pupils, the school invested in a multi-gym. This has added yet another sport to the P.E. department's curriculum which already contains badminton, basketball, rugby, gymnastics and hockey, to name just a few.

NAVY DAY

The arrival of the Seaking helicopter proved one of the most exciting things to hit the ash park this century. The 'chosen few' selected to go up up and away began to hyperventilate as the helicopter made it's descent, while some Balmalloch Primary pupils were almost blown away by the force. Gaining a bird's eye view was certainly spectacular (as were some of the navy ground staff) and the five minute trip circling Kilsyth was a once in a lifetime experience. The Navy's visit caused quite a stir in Kilsyth providing an excellent diversion from the usual school routine.

KA Lends a Hand

In June many pupils and staff took part in the school's annual fun run. The run raised £117 which was donated to Yorkhill Children's Hospice.

READY! STEADY! GO!!

In November a group of senior pupils went to Hampden football park where Scotland were playing Russia. The group were not however there to watch the match; instead they helped to collect over £400 for The Scottish Bobath Association.

In November the first and second year pupils raised the terrific sum of £1900 when they took part in a sponsored dance. The money was donated to the Scottish Bobath Association, an organisation which helps children with Cerebral Palsy. Representative Douglas Kenny received the cheque on behalf of Bobath along with his niece Emily Crossan who has Cerebral Palsy. Pictured here are Mr. Kenny, Emily and the two pupils who raised the most money.

JOSEPH

The teachers that made it all happen.

In June '93, a long forgotten tradition of Kilsyth Academy was re-introduced, and plans began to take shape for - (drum roll please!) - the school show.

After much deliberation and argument, it was decided to stage a production of "Joseph and the Amazing Technicolor Dreamboat", and so began months of singing, dancing, acting and hard work.

First came the auditions, which had hundreds of budding stars and starlets queuing up to be part of the performance of the century, all hoping that it would be their first step on the ladder to showbiz success, and after a lot of thought by our distinguished panel of judges, the roles were cast, and rehearsals began in earnest.

From then on, the strains of "Any Dream Will Do" could be heard from the music hut on most days as Miss Scott frantically ar-

anged the music, or as Mr. Lawrie was conducting the choir, and despite a few setbacks, rehearsals went according to plan.

When, at last, it came to the performance, each night was sold out and the assembly hall was packed with pupils, friends and relatives, all eager to witness the first school show for many years, and they were not disappointed!

Joseph was played excellently by Ronnie Gilmour, the narrators told the story perfectly, and the Pharaoh and his wives certainly made an impression! In fact, the whole cast were great!

However, we must not forget all the teachers and pupils who helped backstage, for without them, the show would not have been possible.

Then, with the show over, it was back to the treadmill to start preparing for next year's show . . .

"Superb!"

*"Better than anyone
could have wished for!!"*

"Fantastic!"

*"Congratulations to a
highly talented team!!!"*

What a devil!

SENIOR CEILIDH

Lemonade?

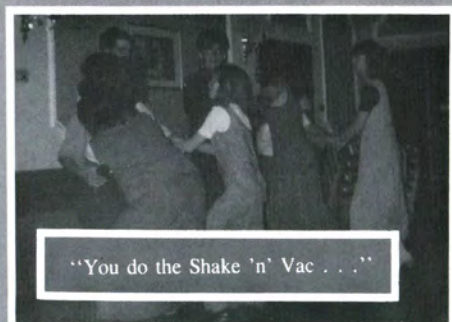

"Shuwiing!!"

The end of the summer term saw the last function of the school year for the seniors. It was a ceilidh, held in the Coachman Hotel in Kilsyth. For all the sixth years and many of the fifth years it was their final farewell to the Academy as they moved on to jobs, college or university.

It was a memorable evening for many reasons, not least the fact that practically every boy in the room was wearing a shirt and tie! Pupils and teachers alike thoroughly enjoyed the delicious three-course meal which was served along with a free glass of wine. This was then followed by dancing to the music of Craigenroan who kept us on our feet as we danced reels and strip the willow all night long. It was worth remembering the evening too, for the speech by the school captain, Richard McGowan, who spoke for all those who were leaving when he said how much he had valued his time spent at Kilsyth Academy. The success of this event will no doubt be repeated next year.

"You do the Shake 'n' Vac . . . "

FIRST AND SECOND YEAR SPORTS DAY

In June came that time again to dig out those Reeboks from the back of the cupboard and get into serious training for Kilsyth Academy's very own annual sports day. It is a time for all the budding Linford Christies and Sally Gunnells to take to the track and this year we are sure that our Olympic talent spotters were impressed with the first and second years' performances.

Despite the lack of sunshine, no-one was deterred in the least and everyone participated with the greatest enthusiasm. The loyal supporters were there to cheer on their champions as they went for gold; the fact that they were getting an afternoon off school did not influence them in the slightest!

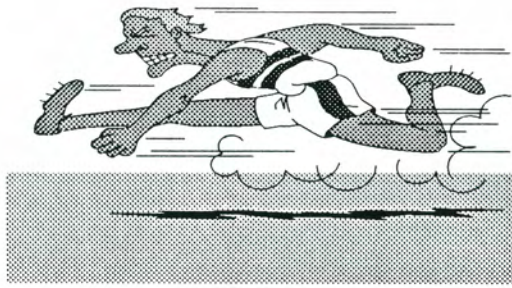

The track events included the hundred and two hundred metres and relays. There were also field events in the long jump and shot put. All event produced excitement and personal bests.

The sports were organised by the P.E. department with help from the Standard Grade P.E. students. Their efforts were well rewarded by another successful sports day.

Competitive Capers

Clydesdale Bank Schools Quiz

Kilsyth Academy became host for the highly acclaimed Clydesdale Bank Schools Quiz. Our team representatives from 2nd to 6th year were Douglas Wright, Laura Miller, Kim Graham and Graham Stephen. They did brilliantly reaching the semi-finals, impressing everyone with their vast knowledge and skill.

ROAD SAFETY

Strathclyde region's calendar competition was won by first year pupil Fiona Richardson.

A big congratulations goes to the Dux of Kilsyth Academy 94/95 Stephen Robins

Guess the Baby Competition

This competition organised by the Charities Committee was won by Karen Moir who successfully identified the 'cute and adorable' faces of 12 of our teachers. For her remarkable identification skills Karen was awarded a gift voucher.

PUPILS IN PRINT

In the autumn of 1994, the Kilsyth Chronicle & Cumbernauld News ran a newspaper competition for the 6 secondary schools in the local area. The task was to produce a page for the paper and involved writing various articles and designing an advert for a specified company. The designers of the best advert were to receive £150 and there was to be a similar sum for the best editorial. Although time was short - deliberately, to mirror what happens in newspapers - excellent articles were produced expressing the views of the pupils on various topical issues. Our team also designed a top quality advert for a Cumbernauld car firm. The Academy gained first prize in the editorial section for our articles on the changing face of Kilsyth. Congratulations must go to all those who were involved.

BURNS SUPPER

On Thursday 2nd February 1995, the school held it's first ever Burns Supper for staff and senior pupils. After a lovely (?) dinner, the entertainment started, including songs by David McTaggart and Jill Stevenson. Local Councillor Tom Barrie gave a stirring speech and Mr. Denovan recited Tam O'Shanter word for word without notes - an amazing feat. Overall, the event was a huge success, attended by many people. Hopefully, Mr. Macniven will organise another supper next year.

KILSYTH TEARAWAYS TERRORISE TONALE

Friday 25th of March 1994 at 7am saw a party of forty-five pupils and teachers depart the gate of Kilsyth Academy, some more awake than others.

After a long journey of thirty-six hours, consisting of mainly sleeping and eating we finally arrived at our destination, Tonale at the edge of the Italian Dolomites. Dinner was served at the Hotel Redivale and everyone felt quite refreshed. The pupils voted to party on, although the teachers could not keep up the pace!

An eventful six days of skiing followed with only a few minor mishaps; a broken arm, a few pulled muscles and a few cases of sunstroke; nothing too serious. The snow was excellent and with bright sunshine, the conditions were ideal for all the future Tombas to show what they could do. Every morning began with expert tuition, although the non-English speaking instructors were quite hard to understand. In the afternoon we were set free on the piste, leaving trails of destruction in our wake.

After a hard day's skiing what could we do, relax? No, never! What about the night-life? Have you ever known a Kilsyth Academy pupil resist a chance to party? Every bar, club and disco was visited; Tonale did not know what had hit it!

Wombles of Wimbledon?

"Another one bites the dust!"

As a lasting memory of the trip the pupils were presented with badges and certificates congratulating them on the standard of skiing which they had attained during the week.

The trip seemed to provide the all-round winning formula, so look out Italy, Kilsyth Academy will be back!

"Oh please - Not in public"

"BABE!!!"

"Watch that pugel stick disappear!"

"Weighing up her assets!"

"Prefects - TAKE TWO!"

"Miss Conway and her mistletoe try to sweettalk Mr. Summers."

"Oooh you're so gorgeous"

"Why thank you"

"Saturday Night . . ."

"Woaaa! This crotch straps awful tight"

"Mr. Summers' head perhaps"

"Is a reeeaal Scotsman . . .?"

JUST FOR LAUGHS

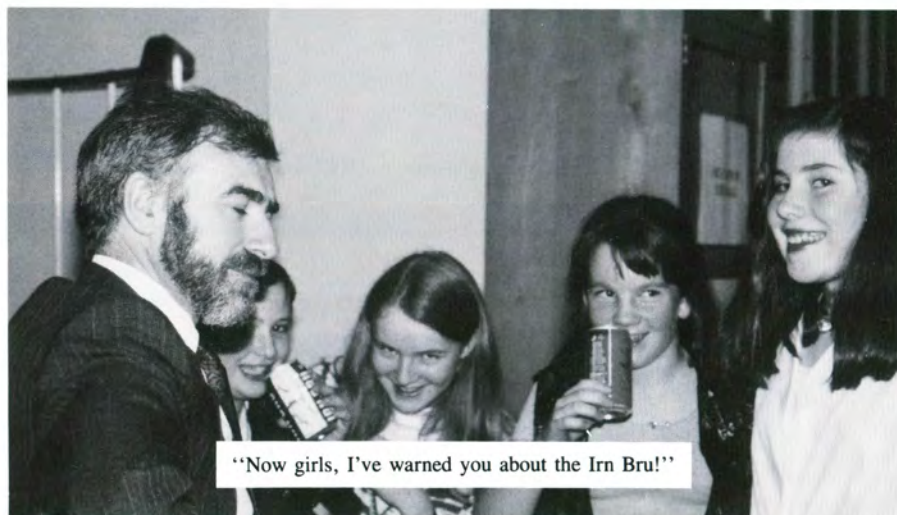

DISCOS

The school discos are held for all years groups about once a term and are always a great success. This years were no exception with a high turn out of both teachers and pupils at each event. These nights give everyone a chance to strut their stuff, even the teachers who also use it as a learning experience where they are taught the latest dances, this years favourites being "Saturday Night" and the "Time Warp".

The discos are yet another event on the school's social calendar which are enjoyed by all and are evenings which should never be missed.

SCOTTISH NATIONAL BLOOD TRANSFUSION SERVICE

KA

GIVES BLOOD

On 20th December the Scottish Blood Transfusion Service brought one of their donating buses to the school. The visit which had been organised by senior pupil Kate Burton was a great success with forty-six pints being collected. Some of those who donated, a mixture of pupils, staff and general public, even found themselves starring on television, when a BBC reporter and cameraman arrived to make a feature for the Scottish news about giving blood. A huge thank you goes out to everyone who gave blood and please remember:

"You've got it in you to save a life".

GALAVANTING AT GARELOCHHEAD

This year there have been two visits to Garelochhead outdoor centre. The first trip was for first and second years and the second consisted of seniors; each was led by a group of staff who all

Our Miss Reilly,
Wet 'N Wild!!

really enjoyed themselves!?

The groups took part in many varied activities ranging from orienteering to abseiling and canoeing to hillwalking. Both holidays were finished in dazzling

style. Mr. McGhee and Mrs. Gardner bopped with the best of the first years to the disco music and Mr. Conley, Miss Scott, Miss Reilly and Mr. MacRae reeled and whirled unlike anything any of the seniors had ever seen before.

When all involved has recovered from their various aches and pains they admitted that the trip had been beneficial and extremely memorable.

ALTON TOWERS

"Puppy love"

"Michelle takes the easy way out"

"Mr. Conely takes forty winks after a hard days fun"

Two coach loads of fourth, fifth and sixth years visited Alton Towers in May, as a well deserved break after the exam pressures. The long haul down on the road was brightened up by Karaoke performances of both teachers and pupils. Most pupils and teachers braved even the most terrifying of rides, whereas some seemed more suited to the chair-o-planes. The journey began back to Kilsyth, a few green faces aboard. The day proved to be a great success and will undoubtedly be repeated.

Senior

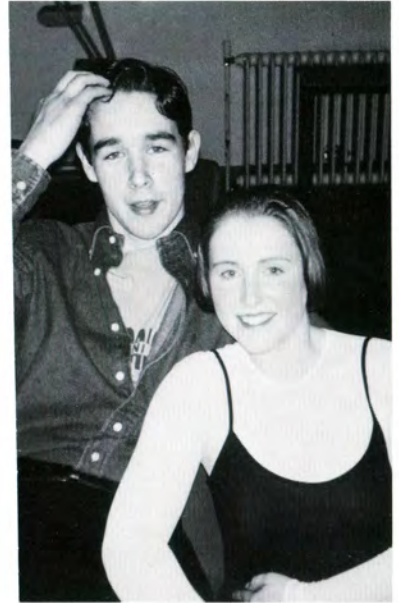

The annual senior social was this year, as always, a real success with pupils and teachers alike having a great evening. The main source of excitement of the night was the sight of the normally dignified teachers whirling and reeling for hours on end, especially Mr. Simpson, sporting a beautiful traditional Scottish costume. Mistletoe, as usual was a-plenty and the rendition of Auld Lang Syne to conclude the evening proved to be a bit of a tear jerker for many of the sixth years, for whom it was their last Christmas social at Kilsyth Academy.

The Yearbook Team

I was very honoured to be chosen as editor. Once we began I realised this job was not going to be at all easy. It was a constant race to meet one deadline after another. This is not to say there was no fun involved as we had our fair share of laughs too. I think the yearbook is a fantastic memory to keep and I hope everyone has enjoyed reading it. Last of all I want to thank everyone involved and wish next year's team the best of luck.

The Yearbook Team would like
to thank:

Mr. MacRae
Adrian Wright (Jostens)
Mr. Macinnes
Miss. Shaw
Ms. Conway

And everyone else who helped
(you know who you are)

But most of all thank you
for reading this edition of
the Kilsyth Academy
Yearbook.
