Welcome

Welcome to the 2010 Kilsyth Academy Yearbook!

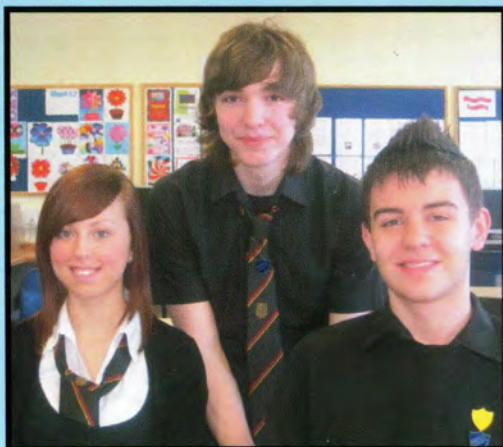

What can I say? It has been a rollercoaster of a year and as Editor of the yearbook, I've spent the last year dealing with the stresses and highlights of making this the best yearbook possible. I hope all our hard work; every free period spent at a computer, every photograph organised and every page edited about a million times (no exaggeration!) can be seen as you flick through this book.

EDITORIAL TEAM

So smile as you remember the good times, and look back on the year, sadly for the sixth years, their last.

Ghost Walk

'Twas the eve of the disco,
And all through the night,
The first years were screaming,
With terror and fright
The seniors were ready to scare them away,
While teachers were waiting to reel in their
prey...
The children were scared beyond all belief,
As the disco came, there was quite a relief!

HAPPY HALLOWEEN

On the 28th of October, the pupils got together for the Halloween disco, where many of them got the chance to dress up for a night.

They keep their masks on constantly

KA'S GOT TALENT

Kilsyth Academy proved they DO have talent as they took to the stage to battle it out for the final of Real Radio's school talent competition. All the acts did amazingly well but one star dazzled above all – Lindsay Hurren. She blew everyone away with her beautiful vocals. The judges were amazed with KA's talent and the ladies in the judging panel were charmed by Real Radio's very own Mr Steve McKenna.

World Challenge ECUADOR v. K.A.

A lost bag, a stolen bag, an allergic reaction and the reality of spending 4 weeks with Mr Canavan... After their first day, the 10 pupils and 2 teachers had already had enough!

Last June, we had a group travel to Ecuador with World Challenge. They endured four weeks of hard work - trekking, exploring the Amazon and building an ecological trail for a small Andean village.

However, amongst the blood, sweat and tears they found time to white water raft, take a dip in thermal hot-springs and be thrashed at football on countless occasions.

The group had the experience of a lifetime and they all thoroughly enjoyed their time in Ecuador... Mission Accomplished.

Kilsyth Academy held a trash walk for the second year in a row this year. Organised by Nicole Hickman and Mr Canavan as part of the Eco Committee. Pupils from all year groups designed costumes using recycled materials and other pupils modelled them.

Italy Ski Trip 2010

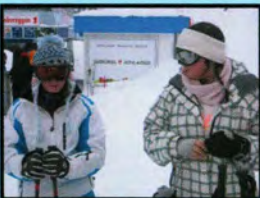

"The best weeks skiing I've ever had." as Mr Canavan put it, mind you, it's the only weeks skiing he'd ever had... Nonetheless, the Italy Ski Trip this year was still amazing. Despite adverse weather conditions and Mr Dougan being a bit grumpy at times, 40 pupils and 4 teachers from KA managed to cause the annual havoc on the quiet slopes of Val di Fiemme. Between Ian losing his ski and having to ski one legged, and Burnsy hogging the mic at karaoke, a great time was had by all!

Burns Night

January 2010

Don't worry Emma, it's dead!

Miss Gough and Mr MacRae performing "The Immortal Memory"

They may be far from Burns' standard but KA's seniors did their best to pay tribute to the great bard at the annual Burns' night... with Emma Motherwell reading "Tae a Haggis", and Lewis Taylor wonderfully reciting the Selkirk Grace. Rachael Mackie read Burns' "My Collier Laddie"; "Tae the Lassies" was performed by David Hughes and Stuart Marsh, while Laura Nesbitt and Jenna Adair hit back at the lads with their reply.

"The Immortal Memory" was given by Mr MacRae and Miss Gough. Musical entertainment from KA'S Music department was of its usual high standard and a great night was had by all!

Our very own Jack and Victor!

After the meal, speeches and, of course, Macca's opportunity to woo the 6th year girls, there was plenty of time for some photographs to remember the night!

Thank You!

Thank you for reading Kilsyth Academy's
Yearbook for 2010!

As always, our yearbook team has worked to produce a final product that we hope will be fun for readers, while capturing the memories of an entire school session. It is no mean feat to achieve this but, as always, our Yearbook team has shed blood, sweat and tears (and have been subjected to lots of nagging from Miss Reilly) to pull it off. I hope you will agree with me that this outstanding 2010 yearbook provides another action-packed chapter of the Kilsyth Academy story.

The team has managed to create a balance between the sad, the mad, the serious and the hilarious times that we have all been part of - to produce this excellent record of session 2009-10.

As you have turned the pages, I hope you have enjoyed reading about the many events that contribute to the richness of school life and about the wide range of activities that exist within our school community.

Well done to all involved!

Mr Knight

Technical Department

In August 2009, Kilsyth Academy was saddened by the loss of a loved teacher.

Mr Knight was heavily involved in the school Yearbook right from the start - in particular, the desktop publishing and graphics side of things. Without his contribution, we would not be at the standard that we are at today.

When asking around, many pupils spoke of his warmth, patience and brilliance as a teacher.

The most popular comment was

"He was a legend."

He will be sadly missed.
