

Kilsyth Academy Yearbook

Years
2013-2014

Introduction

Welcome to the Kilsyth Academy yearbook for 2013-2014. We are indebted to the 6th year for producing another impressive yearbook and, through that, providing us with an opportunity to review everything that we have packed into another busy school session. It is always a challenge to come up with original ideas, an imaginative and colourful product and a balanced account of an entire school year, but I am sure you will agree that this year's editorial team has succeeded in producing a very full record.

I hope you will enjoy pouring over the pages and re-living the memories, whether they be bad, sad, funny or even embarrassing. Undoubtedly, your journey through the yearbook will trigger a few broad smiles, as you remember aspects of the fun we've had.

My thanks and congratulations go to our production team, under Miss Reilly's leadership, for working tirelessly to produce the yearbook and I now invite you to read and enjoy!

SOCIAL 2013

Kilsyth Academy staff and students swapped the shirts and blazers to get suited and booted for the most glamorous event this side of Queenzieburn. On the 14th of June, Hampden Stadium was the venue that would host a crowd noisier than the tartan army! A lovely meal was followed by dancing and chatting, until it was time for a comical look back at the previous year with the famed 'social speech.' But it was Amber's 'accident' that drew the biggest laugh of the night! The event ended on a high, with everyone gathered for 'The Bonnie Banks o' Loch Lomond' marking the end of another sixth year.

HIGH SCHOOL MUSICAL

For three nights only, Kilsyth Academy went from Kelvin Way to Broadway for 'High School Musical'. After months of rigorous rehearsals; Rennie forgetting his lines; and numerous cups of coffee for Ms Langan and Mr Russell; the production finally came together and proved that Kilsyth Academy can really put on a show.

A huge well done to all those in front of, and behind, the curtain!

Halloween

Disco

Girls, guys and ghouls gathered in the haunted realms of Kilsyth Academy on the eve of Halloween for a night of thrills, chills and ... dancing? All in attendance were looking terrifying (even the ones that didn't dress up!) but the winner of the best dressed went to Lauren McArthur of second year!

Rwanda

In June 2013 a group of 12 senior pupils and 2 members of staff took off on a life changing journey to the beautiful country of Rwanda. The team met many different people and heard their stories from the 1994 Genocide and how they overcame those struggles to get where they are today. Despite this, the trip was filled with love and warmth from those who we met. It was an emotional fortnight but the trip wasn't short of the usual KA banter and even the occasional sing song could be heard as the team travelled.

CRAZY DAY 2013

With Christmas just around the corner, it could only mean the arrival of CRAZY DAY 2014. As usual the day was filled with a range of events and activities to treat the hardworking (well some of them) pupils of Kilsyth Academy. Everyone's favourite Techy Carnival returned for another round of basketball shooting and flinging darts at teachers... pictures. A new arrival to the programme was P.E Gladiators which involved representatives from each year group taking part in a series of challenges!

CRAZY DAY SHOW 2013

The crazy day show 2013 proved to be one of the best shows yet with many strange outfits (yes, we do mean Mr Laird) questionable dancing skills and an act which featured William Wallace meeting GBX. All 10 acts took inspiration from the nineties a decade famed for dodgy dancing and girl power. The winners of Crazy Day 2013 were RAVEHEART. Well done to everyone who took part and humiliated themselves for the pleasure of others.

Ullswater Outward Bound

A lucky group of 100 first years, second years and staff travelled south to Ullswater Outward Bound for three jam packed days of outdoor activities and physical challenges. The sun shone and the water was freezing but that didn't stop everyone from enjoying the beautiful scenery of the Lake District. The trip was a great success and greatly enjoyed by everyone that took part.

So there goes another year of Kilsyth Academy; another Crazy Day; another Social - the only things that change are the memories and the stories. We hope this Yearbook will remind you of those when you feel like a nostalgic look back in years to come. This has

been a great year at school made possible by all the dedicated staff and, more so, the wonderful students. This year has been action packed with globe spanning trips. This whole process would not have been possible without all those in the Yearbook team, some slaving away on Monday afternoons and others finding endless excuses to leave the class. A big thank you must go to Miss Reilly for guiding the ship and reining us back in when we suggested the 'gingers page' and other unpublished ideas. We've had a blast capturing the year as it happened - So from everyone involved in this draining and rewarding process, cheers.

The Yearbook Team.
