

FUNDRAISERS 2018/2019

Throughout the session our Parent Fundraisers group works tirelessly to raise money that goes right back to support all our children. **At this point in the year it is appropriate for us to look back at all they have given us and thank them once again.**

This year our Fundraisers have provided us with:

- Snacks for all the nursery parties at Hallowe'en, Christmas and Summer
- Christmas gifts for all our nursery pupils
- School ties for all our nursery leavers and our P.7 learners
- A gift for all nursery children who will be returning to nursery next session
- Money to purchase a new sound system (to make sure our mics are all working for our next school performance)
- A donation towards our P.7 residential trip to Kilbowie
- A substantial donation towards the cost of buses for all our school trips, to keep the costs down for individual families
- The funds to upgrade our nursery snack and lunch area to more resemble a home environment

In addition they hire halls for fundraising events as well as organising insurance to allow these to take place safely.

They currently have a float they are carrying forward to next session to allow them to organise further events. Why not consider joining them to discuss what they do next? Join us for the AGM on Monday 26th August. Your school needs you!
