Feedback Comments:

Positive messages from tonight...

- Workshops are always worthwhile.
- Worthwhile – good tips on how to support a child in literacy.
- I always enjoy the parent workshops; very informative.
- I enjoyed tonight's workshop. It's useful to remember what it is like to begin to learn to read.
- Reassurance with possible struggles.

Something I have learned tonight...

- Not to stress as much about homework.
- Enjoyed seeing the process of learning.
- How much the kids work hard in school, but we don't see it at home.
- How he splits up words for spelling.

I would like more information about...

- Extra out of school activities to improve spelling and reading

Future Workshops could include...

- Maths workshop and how to help more at home.
