

Easter Competitions 2023

Dear parents & carers,

We are delighted to invite all our pupils and families to join in on our annual Easter competitions once again.

The competition is split into 2 categories: 1 for Nursery - P3 pupils and the other for P4-7 pupils.

As always, participation in the competition is not compulsory and is designed to be a fun and engaging design and technology activity to bring the whole family together.

Pupils in Nursery - P3 have to create their very own Easter bonnet.

Pupils in P4-7 have to create their very own Easter egg design and / or character.

Rules / Criteria:

1. Pupils are allowed to use any recycled materials they wish from home.
2. Pupils are allowed to receive some support from their family.
3. Mrs. Nicolson, Mr. Sharp and Mrs. McGarry will be looking for bright colours and originality when choosing the winners.

Completed entries should be brought to school on Friday 31st March to showcase at our Easter Parade and the winners will be announced in Mrs. Nicolson's Notes that day.

Good luck and we hope you have lots of fun together!
