

# Welcome to The Parent Council

The Parent Council is composed of parents, staff, and co-opted members with the Head Teacher as adviser. They have rights, duties and responsibilities in relation to the Management of the school. As a parent of the school you are a member of the Parent Forum. Any parent of a child at the school or nursery can also volunteer to become a member of the parent council. Please contact Cheryl Grant, Chairperson on 07738981025 to make your interest known or to discuss anything further.

Members of the parent council are voluntary and attend regular training/meetings in their own time to ensure that we are getting the most up to date knowledge, which ensures we hold our meetings effectively; having a positive impact on the school.

We look forward to having some new parents at the school and we hope that you will come along and find out what is happening at the school. The meetings are a great way to get involved and to hear what is going on within the school. You do not have to be an active participant within the parent council, you are more than welcome to come to one or all meetings during the school year to keep yourself up to date. We meet online via Webex, so you can join us from your own sofa!

If there is anything you think that we can help you with, please get in touch.
