Our Vision: Through Education with Imagination, we will Challenge, Achieve, and Excel.

Dear Parents and Carers,

We have had an amazing time this week during our Health Week and I would like to say a big thank you to Miss Davies, our Health and Wellbeing Champion for organising another great event this year.

Thanks to our Parent Council and all who supported our discos this week. They were excellent events and again raised lots of money for school funds.

I hope this newsletter keeps you well informed and if there is anything we can do to help, please do not hesitate to get in touch.

Please keep up to date with all our pupil achievements and news featured on our X feed [@KnowetopPrimary](https://twitter.com/KnowetopPrimary). Please note our posts are private so if new parents wish to view then just send us a request.

Mr Gordon Murray
Head Teacher

Child Protection Officer

Knowetop Primary's Child Protection Officer is Gordon Murray, Head Teacher. If you have any child protection concerns you wish to raise, please contact on 01698 274951 or email nlmurrayg2@northlan.org.uk.

Primary 6 Funday

Primary 6 pupils will be organising a fun day for Monday 23rd June in order to raise funds for their residential trip. There will be various stalls available to pupils and games which they can have a go at. Primary 6 are still looking for any items they can use as part of their day. Items like any toys, books, board games etc that you have which are in good condition would be much appreciated. Any money raised will go towards supporting their residential trip next session. Activities will all be priced from 20p - £2.

Health Week

Thank you to Miss Davies for organising another super health week packed full with fun experiences and visitors. I think one of the key highlights for all was Ravie Davie and his wrestlers on Monday. Thank you to all the parents, partners and friends who contributed their time to Knowetop this week, we really appreciate it.

Meet the Teacher

Children will meet their new teacher briefly on Wednesday at 1.30pm. There may be some staff who are not here on Wednesday, but children will still be able to see who is in their class for next year and we will arrange another time for them to meet their next teacher.

End of Year Reports

There is a slight delay with our End of Year reports. They were originally due to be sent home yesterday. However, they will now be sent home next Friday.

Room 19 Jumble Sale

After last week's enterprising activity, Room 19 and Miss Humphreys have been discussing what to do with the money. They have decided they will make a donation to St Andrews Hospice which we think is a really nice idea. Thanks to Miss Humphreys for organising a great experience for the class.

Junior Cop Programme

Congratulations to all our Primary 7 pupils for completing the Junior Cop programme, helping to promote safety and wellbeing of young people as they move to high school. Thanks to Police Scotland, SFRS and CLD for helping, along with Miss Rankin for coordinating.

Talent Show

We will be having our annual school talent show on Tuesday 24th June. More details to follow.

Primary 7 Leavers Assembly

We are looking forward to our Primary 7 pupils' final assembly on Friday afternoon. As with other assemblies, all pupils will be issued with two tickets. We have had many requests this week for additional tickets and are currently checking with Motherwell South to see if there is additional capacity. If there are any additional seats, we will offer a ballot for these. Mrs Smith will send information on Monday regarding who would like an extra seat. Other family and friends are welcome to watch the assembly via our live stream link.

<https://youtube.com/live/7YWmBymMUN4?feature=share>

We are aiming to be finished on Friday by 2.40pm. However, if we run on slightly and you are picking up children from school we can arrange to keep them in school until the assembly finishes. Please email enquiries and let us know if you would like us to keep younger children in school in the event the assembly runs over.

Morgan Stanley Volunteers

We had various teams of volunteers (including a few former pupils) from Morgan Stanley this week who helped with painting around the playground and inside of the school. I want to say a big thank you to them for the difference they have made.

You will notice that we had to paint over the old mural as various parts of it were flaking off so we are looking for creative people who could work with a group of children to design and paint a new, updated mural for this wall. If this is something you would be interested in doing then please get in contact.

White Shirts

Primary 7 pupils are looking for some old white shirts which they can reuse for their assembly. If anyone has any shirts, could you please hand them in on Monday.

Primary 7 Rowing

Unfortunately, Strathclyde Park have cancelled the rowing session for P7 next week due to winds forecast. We are disappointed but it will give additional rehearsal time for their assembly. Rowing is also available as a Future Friday activity in high school so pupils can sign up to them if interested.

Primary 1 Transition Visit Tuesday

Our final transition event for Primary 1 will be on Tuesday 17th June at 1.30pm. Children will come into school and go into their classes to meet their teacher for 15 minutes. Then we will all go out to the astroturf to play some games. Parents can come to the main entrance for 2.30pm and we will bring you in to collect children at that point.

Disco

A huge thank you to all the those who helped support our final event of the year!

We hope all the children had a fantastic time — they certainly danced and sang the night away.

We truly couldn't put on events like this without the support of parents and carers who give up their time to help.

Our shorts and shades disco raised over £1500 which will, as always, go towards the school.
