

# MAVISBANK SCHOOL

## Policy of Assessment and Reporting

### Rationale:

It is the policy of Mavisbank School to assess all pupils on an ongoing basis with reference to the Curriculum for Excellence.

Evaluations of termly targets will be completed three times annually.

Reporting of assessment is generally carried out annually in April, covering the previous three terms. All members of the multi-disciplinary team, plus Educational Psychologist - should it be deemed necessary - contribute to this report, which will be approved by Head Teacher or Depute Head Teacher as appropriate with reference to review responsibility as in line with Co-ordinated Support Plan requirements.
