

### **Celebrating Success Policy:**

At Mavisbank we foster an ethos which acknowledges achievement and celebrates success for all pupils and staff.

Success is celebrated in the following ways:

During / at the end of lessons, teachers will give relevant and specific positive feedback to pupils

Pupils' success will be noted in termly evaluations which will then inform yearly reports

Success will also be celebrated with parents at reviews, reports, newsletters and in daily diaries

More formally, success will be celebrated at monthly ethos assemblies, where pupils' successes in maths, literacy, health and well being and other curricular areas will be highlighted (curricular areas explored will be on a rota basis throughout all classes)

Success will be recorded in a Pupil Profile Of Achievement and displayed on ethos walls in the main hall

SQA and graduation achievements, as well as staff achievements, will be celebrated at the Summer Assembly
