

Mavisbank School

Communicative needs of the pupils:

- To develop close relationships with staff
- To have order and routine in their daily lives
- To receive clear communication about what is happening
- To have a quick response to communication
- To have opportunities to act on their environment
- To be given time to communicate
- To have all aspects of their behaviour treated as attempts to communicate
- To be positioned appropriately in order for communication to take place
- To be educated in an environment where attempts to communicate will not be overlooked
- To receive communication in a manner appropriate to their understanding
