

Mavisbank School

Outdoor Safety Checklist

Is the playground securely fenced off with gates in bolt position?

Is the playground clear of debris?

Are all play structures free of splinters, wide cracks, rusted areas and loose screws / bolts?

Are all toys in good working order?

Remove all damaged / play equipment immediately - report to janitor

Is the playground surface smooth without holes or protruding objects?

Is the decking slippery?

Consult evacuation recommendations on pupil equipment to ensure ease of transfer from school to playground
