Dear Parent / Carer

Please see below for a useful link to the budget that carers may be entitled to. A social worker would carry out a carer's assessment in order to decide the amount carers would get. I hope you find this information useful. If you would like more help with this information, please indicate below, and I would set up an information event in school.

Kind regards

Eileen McDonnell

Yes I would be interested in attending an information event

Best days for me are (Please indicate morning or afternoon if you have a preference)
