## Introducing the 'Listening Lot' Characters

To make the characters come to life when reminding children of the listening skill you are focusing on, you might enjoy singing the following words to the tune of Twinkle, Twinkle Little Star:

Who's that knocking at my door?  
Eileen Eyes we all adore.  
Open wide let's look and see  
Looking at you constantly.  
Who's that knocking at my door?  
Eileen eyes we all adore.
