

MOSSEND PRIMARY SCHOOL & NURSERY CLASS

WHERE STARS SHINE
BRIGHTER

ROOM 11 PRIMARY 3/4

WELCOME

CLASS NEWSLETTER

Issue 2 - DEC 2020 Session 2020/21

Summary since September

Primary 3/4 has continued to settle in well. We are now more used to the new routines and rules and are experts at keeping our hands clean and sanitizing them. We have got used to our new zone and have enjoyed using our new playground equipment. Many of us have also made up some of our own games!

We have worked hard to earn dojo points and power up cards over the past couple of months, but unfortunately our class hasn't won class of the week, yet! We continue to do our best and hopefully our turn will be soon!

After consolidating lots of our learning – we have recently enjoyed learning lots of new things and taking on new challenges! We have continued to explore our growth mindset friends – Determined Dexter, Helpful Sparks, Flexible Flo, Curious Ash and Brave Astrid. We also looked at different aspects of being safe, healthy, achieving and nurtured. Our outdoor PE lessons have continued and this is something most of us look forward to!

Summary Continued . . .

In literacy, we have looked at different types of writing for example, letters and instructions. We have also started to write using paragraphs. We have started using speech marks and similes. We will continue to make sure we use our loud and clear voices when reading both at home and in school.

In numeracy, we have been focusing lots of multiplication and division but not forgetting about addition and subtraction, too. We also learned about angles, directions and word problems. More recently we have enjoyed looking at tricky number patterns and made some Christmas symbol and colour patterns.

Wider Achievements

Well done everyone who has won a weekly certificate:

Charley, Ahmed, Logan, Caleb, Lucas, Millie, Mia, Reece, AJ, Brooke, Emma, Mason, Hunter, Tyler, Louise, Mia, Amylouise, Millie & Arman

Room 11 are very proud of you for your efforts – keep up the hard work. If you haven't managed to win yet, there is still plenty of time! You can do it!

Where Stars Shine Brighter

Other class specific information (PE Days, Glow Information, homework etc)

PE – as already communicated PE days are now Thursday and Friday. Thank you to all of you for remembering about appropriate PE kit. I also advise that your child brings a jumper to school for when they are feeling cold.

Homework & Digital Technology – homework has been and will continue to be communicated weekly via Microsoft Teams. Please contact the school if your child still isn't accessing this from home. A huge thank you to the pupils who have made an effort to sign on to Microsoft Teams, and who are now completing their home learning on their online notebook I'm so glad that you didn't give up on this!

It would be a good idea for your child to constantly consolidate the areas that are mentioned in this newsletter.

What we are learning next:

Literacy

We will be focusing on information Reports, handwriting, metaphors, fluency and expression.

Numeracy

We will be learning about money, data handling, measurements and fractions. We will also consolidate the four operations.

Health and Wellbeing

We will look at growth mindset, being active, respected, responsible and included.

Digital technology

We will continue to use websites, learn about digital safety, log in to different online platforms independently and use Microsoft teams to enhance our learning. We will also explore QR codes to access different materials online.

Christmas

Messages/Activities/Enterprise

Room 11 have enjoyed some Christmas crafts, singing, lunch, pantomime and party recently. We have tried our best to make the most of the current situation.

We will be sending some of our Christmas enterprise items home. A small donation in return, would be much appreciated. Keep your eyes peeled for updates on the class app.

I hope everyone has a lovely Christmas and a happy, new year with your loved ones. Take care, Miss Marshall.

You can contact your child's teacher directly by emailing enquiries@mossend.n-lanark.sch.uk. Please mark it for their attention and allow a few days for replies during normal school hours
