PE Days

Our PE days are Wednesdays and Fridays. The children should come to school on these days wearing their PE kit.

Homework

The class are now well rehearsed in using their Glow usernames and passwords. These usernames and passwords are used to access their online [Class Team](#).

P5 homework is distributed into the class notebooks on our [Class Team](#) each week. At the beginning of each week the class are given a list of different tasks e.g. Spelling, Comprehension, Numeracy and Topic work. The children then have the rest of the week to complete these tasks.

P5 have also been using Flipgrid to complete homework tasks. Flipgrid is a free video discussion App. The class have already created exercise videos to promote physical health and persuasive debate videos to promote their own points of view.

Christmas Holidays

Have a wonderful Christmas from all of the boys and girls in Primary 5 Room 15.
