Soccer (or football) is considered the world's most popular sport. *In* soccer, there are *two* teams of eleven players. It is played on a large grass *field* with a goal *at* each end.

The *object* of the game is to get the *soccer ball* into the opposing team's *goal*. *Players* cannot touch the ball with *their* hands (with the exception of the goalie). They can only kick, knee or head *the* ball.

One of the *reasons* soccer is so popular is that it only takes a ball and a flat open area to play.
