

# Stations of the Cross Activity

Look at the [stations of the cross](http://cafod.org.uk/primary/lent) on the CAFOD website: [cafod.org.uk/primary/lent](http://cafod.org.uk/primary/lent)

## The fifteenth Station: Jesus rises from the dead

Draw a picture of Jesus, risen from the dead! Add the faces of Jesus' friends. How might they be feeling?

Three days later, Jesus rose from the dead.

### Think:

Jesus is risen from the dead. His message of love is still alive in the world today. He has shown us that he is the Son of God and he is a light for all who follow him.

- How will you follow Jesus in your life and share his light with others?

### Prayer:

Jesus, you share your life,  
your light and your peace  
with us all.

Walk with us

Show us how to live out your love  
so that our sisters and brothers  
around the world may know the joy of new life  
and we may all be changed by living in your light.

Amen

### Take action:

Let's celebrate the joy of new life and share the light of Jesus with everyone! Eggs are traditionally a sign of new life. Use the CAFOD egg template or Easter cards in this pack to write a message of hope to a friend or a family member. You might want to send it to someone who might be feeling lonely at this time. Use lots of bright colours for decoration!
