

**In the event of adverse weather conditions preventing children coming to school, the following tasks could be undertaken:**

**Adverse Weather Activities for Primary 1**

- Practise writing words with your sounds in them: sh, ch, th, ng
  - Find things outside beginning with any sound you have learned. (a - z)
  - Listen to the Jolly Phonics song.
  - Can you find 1, 2, 3, 4, 5, 6, 7, and 8 letter words in a reading book?
  - Read a story with someone, can you discuss what happened at the beginning, middle and end? Can you say who is in the story and where the story took place?
  - Play a game of snap with your common words. If you shout “snap” make sure to read the common word.
- 
- Practise writing numbers to 20 and beyond.
  - Can you make up and answer addition and subtraction sums within 10.
  - Go on a shape hunt. What shapes did you find?
  - Empty your piggy bank. Can you sort the coins?
  - Make two models. Which one is the tallest?
- 
- Draw a picture of what you can see from your window.
  - Design your own castle?
  - Create your own superhero.
  - Make a scary Loch monster.

You could watch some Numberblocks, Alphablocks and Numberjacks.

Topmarks.co.uk website has some great Literacy and Numeracy games.

PhonicsPlay.co.uk has some great spelling games.
