# In the event of adverse weather conditions preventing children coming to school, the following tasks could be undertaken:

Adverse Weather Activities for Primary 2

Literacy

- Practise recognising your phonemes by sight. These are listed below.
- Can you find any phonemes in books? Write the words down? Can you read them?
- Can you think of your own words containing the phonemes?

sh	ch	th	ng	oo	wh
ai	ee	ck	oy	oa	qu
ay	ea	ow (snow)	ue	aw	oi
au	ew	ow (owl)	ou	igh	

- Read a story with someone. Can you discuss what happened at the beginning, middle and end? Can you write a summary? Remember to use your own words.
- Can you think of some questions about the book you have read? Remember to use question words. (when, where, what, why, how)
- Write your own story. Include *when *who *where * what happened *what happened next * a feeling
- Practise spelling your common words. You can practise with a grown-up or can try to bubble write, rainbow write or pyramid spell some of the words.

Maths

- Practise reading, writing and ordering numbers to 100 and beyond.
- Practise addition and subtraction within 20 and beyond, if you can.
- Go on a shape hunt. What shapes did you find? (2d and 3d shapes)
- Ask a grown-up to place out 4-5 coins. Can you count the money?
- Can you make specific amounts using coins? (within 20p/50p or £1)
- Play at shops and find the total of 2 items in the shop?
- Practise cutting food into halves and quarters.

Learning across the curriculum

- Choose an animal from another climate. Can you find out more about it?
- Can you make a picture of your animal?
- Create your own animal/creature that lives in a hot or cold climate. Give it a name.
- Choose a meal you have eaten. Can you find out where each thing on your plate came from? (plant or animal?)
