Literacy

- Choose a spelling strategy to practice your common words
- Practice your spelling words on Spelling City
- Read a chapter of your book for personal enjoyment
- Complete set tasks on Newsela
- Pick a book on epic! and use one of your reading strategies e.g. - summary
- Use Pobble365 to complete the writing task of the day
- Listen to a book on Oxford Owls and write a review.

Numeracy

- Complete set tasks on Sumdog
- Practice your times tables to improve your recall
- Use TopMarks to practice different math skills
- Use timetables.co.uk to practice your tables
- Research online to see what you could buy to redecorate your bedroom. You have an £800 budget. Do not go over! (Remember to check for other costs like delivery, too!) Record your findings in a way of your choice.

Personal Project

- Start your project by choosing the subject you want to find out about and write an introduction about why you have picked this
- Design the cover for your project folder (Remember to include your name!)
- Research your topic and record this using organised notes

Other Curricular Areas

- Use code.org to practice your coding skills (You can use Hour of Code without a login)
- Stay active by using GoNoodle
- Practice your French/Spanish using Linguascope
- Research a Scottish artist of your choice and create a PowerPoint on Glow about one of their pieces of art
- Prepare a solo talk about your chosen artist explaining what is notable about them and why you like this piece of art
- Help an adult prepare a meal and write the instructions for this.
- Complete Studyladder tasks
- Watch Newsround and write a report about a recent world event. Consider how this links to Children's Rights.
