

Netherton Primary School

March 2020

We will keep everyone updated as much as possible. We will continue with monthly newsletters and will ensure that we update our school blog and Twitter.

This is a new experience for us all and we want you to know that children remain at the heart of all we do. Miss Yates has worked hard to produce a Health and Wellbeing support file.

Please look after yourselves and please do not feel obliged to replicate the school day. We realise how hard it is for everyone just now. Please read the support leaflet and take time to adjust to our new situations.

We are here behind the scenes supporting learning and can answer any questions you may have. Please be assured that when it is time to return to school, all children will be fully supported.

School staff are checking in with as many of our families as possible, If you do not hear from us in the next few days please drop us an email to let us know how you are doing: ht@netherton.n-lanark.sch.uk or ryates@netherton.n-lanark.sch.uk

All key workers can use the Clyde Valley High Hub: please find up to date information online or contact me on the above email address. **A big Netherton thank you to all Key Workers!**

We have been trying to contact as many families as possible: just to say we are thinking of you all. Keep safe and well, keep following Government advice and we will see you all soon.

With best wishes,

Everyone at Netherton

Thanks to everyone who attended our recent fundraiser led by Mrs Parvin and Mrs White. We are very appreciative of the support given by our wonderful Parent Council and look forward to purchasing new ICT equipment with the money raised.
