Dear Parent/Guardian

As part of our World War 2 topic, we are hoping to explore the film, "Goodnight Mister Tom". This film covers lots of issues regarding the evacuation process during the war and the effect it had on different people. The film does, however, address more mature themes, including child abuse, which may upset some children. As the film is rated with a 'Parental Guidance' certificate, I am asking for your permission for the film to be shown to your child. We will watch short excerpts of the film over several days and will use this as context for the class topic of World War 2.

Please confirm if you are happy for your child to watch these excerpts within class by signing the permission slip below and returning it to me by **Monday, 15 February 2015.**

Yours sincerely
