Dear Parent/Guardian

P7 Strathclyde Park Outdoor Education Programme

As part of North Lanarkshire Council's commitment to outdoor education Primary 7 are being offered an exciting opportunity to take part in the Strathclyde Park Outdoor Education Programme delivered by Sports Scotland and Active Schools.

This will take place from Monday 2 November 2020 – Friday 6 November 2020 where there will be a timetable of activities set for the children for that week. Pupils are asked to arrive at school each day as normal, dressed appropriately for the weather and with a spare change of clothing and trainers and a packed lunch each day. All children in receipt of a free school meal will be provided with a packed lunch each day.

On Friday 6 November (only) children have to be at Strathclyde Park earlier so have to be at school and ready to go for 8.30am. Transport to and from Strathclyde Park will be provided. The programme costs £75 per child. However, given the current circumstances we all find ourselves in I am aware that is a lot of money, therefore, there will be **NO COST** to you for your child to take part and instead I will use some of our allocated PEF funding to pay for all the children to go, totalling £1500.

This is really worthwhile for our P7's to take part in and I have no hesitation paying for the children to go and to experience the outdoors in a fun way.

More details can be found in the leaflets enclosed and your child has already said they would love to take part in this programme. Miss Wallace will accompany the children each day.

If you wish your child to participate please complete the enclosed participant consent form and EV5 and return it to the school office. A copy of this letter can also be found on the school website.

Yours sincerely

Mrs M Reid
