

# NMPS Digital

## Advice Sheet

### 1. ACCESSING GLOW AND TEAMS

Students working from home should access class resources and tasks through Teams.

Download the Teams app for your tablet, iPad, laptop or phone. This will send you alerts e.g, announcements and assignments. Download the Teams app in the app store and google play or alternatively if you have a laptop you can download this from online following this link <https://teams.microsoft.com/uswe-01/downloads#allDevicesSection>

There is also the option to access GLOW and Teams through gaming devices such as a PlayStation or X-Box. Follow the links below for useful video tutorials.

Xbox - <https://youtu.be/rWTwAfLkbkU>

PlayStation - <https://youtu.be/mHTHaXhccDE>

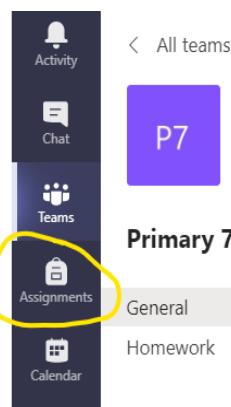

### 2. NMPS TEAMS FORMAT

Welcome to P7		TIMETABLE	
Monday	Virtual Check in with Miss W at 9:30am Literacy and Numeracy *SAMSON strip sheet *Banding (10 minutes)	10:45am-12:15pm: Literacy *Media block task *English/Reading *Read for 20 minutes	1pm-2pm: Climate Change *Virtual lesson with Miss W at 1:00pm *Discussion
Tuesday	9:00am-10:40am: Mathematics Mrs Hendry in	10:45am-12:15pm: Health & Wellbeing *My achievements and targets discussion *Worksheet	2pm-3pm: STEM Challenge *Create a robot that can move an object *Race it to the river *Create a robot that can fly you create this
Wednesday	9:00am-10:40am: Numeracy SAMSON strip sheet/PCS *Banding (10 minutes) *Coordinate game	10:45am-12:15pm: Literacy *Media block task *English/Reading *Read for 20 minutes	1pm-2pm: Climate Change *Virtual lesson with Miss W at 1:00pm *Climate Change task
Thursday	9:00am-10:40am: Numeracy SAMSON strip sheet/PCS *Banding (10 minutes) *Coordinate game	10:45am-12:15pm: Literacy *Virtual lesson with Miss W at 1:00pm *Reading *Spelling using household objects	2pm-3pm: Climate Change *Virtual lesson with Miss W at 1:00pm *Design Challenge *Create a robot that can fly you create this
Friday	9:00am-10:40am: Numeracy SAMSON strip sheet/PCS *Banding (10 minutes) *Coordinate game	10:45am-12:15pm: Literacy *Media block task *Spelling test *Read for 20 minutes	2pm-3pm: Climate Change *Virtual lesson with Miss W at 1:00pm *Choose something which you love to do You deserve it!

When you log into Teams you will see a Team icon for your class. The main channel is where your teachers will put up a welcome message in the morning outlining your activities for the day and where you can ask any questions you may have. Each Friday the teachers will upload a timetable for the following week highlighting when tasks, activities and live sessions will be taking place. Each class will participate in 1 live session and will have 4 assignments each day.

### 3. ASSIGNMENTS

You will find your tasks in the 'Assignments' section. Your teacher will post these each morning and it is your job to look at your tasks. Once you have completed your task you can send this back to your teacher by attaching your work or a picture of it to the assignment and clicking the hand in button. Your teacher will then give you feedback directly to you. No one else will be able to see your work or your feedback. NO ONE SHOULD POST THEIR WORK ON

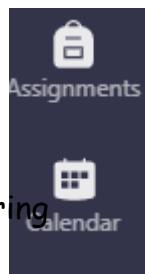

THE MAIN FEED; IT SHOULD ONLY BE ATTACHED TO THE ASSIGNMENTS.

<https://www.youtube.com/watch?v=NGuv9wHCWYE>

#### 4. LIVE SESSIONS

Each class will have the opportunity to participate in a live video session with their teacher

each day. Every class has a different timeslot so that we can accommodate children sharing devices and hopefully help with any connectivity issues which may arise. This time the children will have the opportunity to turn on their camera so I would ask you to remind them to be organised and ready to learn. These sessions will provide an opportunity for the teacher and children to interact with each other and discuss learning.

You can access these sessions by clicking into the calendar at the left-hand side of the teams screen. You will then be able to see the scheduled live sessions and join these by clicking on the session and the selecting the join button.

#### 5. NLC VIRTUAL CLASSROOMS

North Lanarkshire Council have set up online virtual classrooms for all children in NLC to access. This is completely voluntary and would supplement the work given by NMPS. To access these you will need to join the NL Virtual Classroom team. This can be done by

clicking which can be found in the top right-hand corner of the Teams page. You then enter the code **r0f8wg2**.

Join a team with a code

Enter code

Got a code to join a team? Enter it above.

Each primary stage has its own classroom, which are colour-coded. See below for your child's colour.

Primary 1 - red

Primary 2 - orange

Primary 3 - yellow

Primary 4 - green

Primary 5 - blue

Primary 6 - indigo

Primary 7 - violet

## 6. Contacting Staff

If you require any assistance or have questions during this time, please contact your child's class teacher using the emails below. They will be only happy to help. Remember if you need to contact a teacher, you must do so between the hours of 9am - 3pm.
