The school/nursery still have guidance to follow for the time being when looking at reducing the risks and making sure everyone feels safe etc with regards to COVID19 so please keep this in mind. All being well we should be able to plan and organise for trips/outings etc and the possible return of Church celebrations throughout the year starting again next academic session as this will allow us to book things well in advance and prepare staff and children for any upcoming celebration events.

Stay safe and well
