Dear Parent/Carer

New Fusion Rollout – Primary Establishments

I write to inform you that the rollout of the new cashless catering system 'Fusion' has been installed at NMPS over the past 2 days and is now live.

The new system allows children to order their lunches direct into the system when they come into school in the morning and more importantly it cuts out all paperwork.

Children's photographs have been taken for the purpose of meal distribution only so children can see their picture on the FUSION ordering system and go on and order their lunch independently or with the support of their teacher.

Children have now been ordering over the past 2 days using the Promethean board in class or their IPAD.

IPAYIMPACT

If you have not already registered for an IPAYIMPACT account for your child then we would urge you to do so (link below), you need an account reference number to register for this which you can get by calling the school.

<https://www.ipayimpact.co.uk/IPI/Account/Register>

As a reminder all Primary 1, 2, 3, 4 and 5 children currently get a free school lunch. P6 and P7 are still required to pay for their lunches. **ALL** children across the school need to pay for tuck, this is not free and still requires their account to be topped up.

If you are struggling currently and unable to top up your child's account, then please get in touch with us as soon as possible and we will help as best we can!

Many Thanks
