Dear Parent/Carer

RE: Teaching staff update

I write to inform you that Mrs Hendry one of our beloved class teachers will be retiring at the Summer. Mrs Hendry has worked in Education for 37 years. She started her career off in Glasgow City Council in 1987, before moving then moving on to North Lanarkshire Council in 1994, where she has remained since.

She joined the New Monkland family in 1994 and throughout her time here she has been a valued and respected member of staff not only by all her colleagues who she has worked with over the years but also by all of you, the Glenmavis Community.

I know Mrs Hendry has taught lots of you and your children over the years (her three boys also came to this school) and I'm sure you'll all have many fond memories of her too, just like we do! She is such a fun loving, caring and compassionate colleague and has worked hard every day of her career to make sure she does the best for all the children in her care and for that we will always be thankful.

As you can imagine 37 years is a long time. She has been through many changes in Education so we most definitely think it's time for her to put her feet up, relax and enjoy the next part of her journey in life as she most definitely deserves a well-earned rest and to catch up on all those travel plans, she keeps telling us all about (we are not jealous at all).

I'm sure you'll all join me in wishing Mrs Hendry well in her retirement and don't worry we will make sure she gets the send-off she deserves on our last day of term.

From all the team at NMPS – this one is for your Mrs Hendry!

We wish you a long and happy retirement!

Kind Regards

(Mrs M Reid)
