Dear Parents/Carers,

Re: P6 STEM Hub Visit

Primary 6 have been offered the opportunity to attend New College Lanarkshire on 22 May, to attend an interactive STEM Hub event provided by SmartSTEMs in partnership with Commsworld and Young Enterprise Scotland.

This event will support pupils who will be making their subject choices in the coming years and is designed to encourage and support the increasing number of pupils who may go on to choose Science, Technology, Engineering and Maths Subjects (STEM).

The day will be full of interactive workshops, speakers and role models within the STEM sector.

There is no charge for this event and children will be bused to the venue and back within the school day.

Pupils are required to bring their own packed lunch, snack, and water on the day.

There will be a photographer present on the day, so if you do not wish for your child to be photographed, please get in touch with the school office to notify us of this.

Warm regards,

Mrs N. Polatajko (Principal Teacher)
