Dear Parent/Carer

### **Parent Partnership Information Session**

On Thursday 29 August at 2pm we will be hosting a short information session in the school regarding the Parent Partnership. We are always asked lots of questions about the PP and how to get involved so thought it best to offer a session for anyone interested before the first meeting for the AGM in September.

The session is for current PP members and any new parents/carers who want to come along and find out more.

The information session will cover:

- What is a Parent Partnership?***
- What does the Parent Partnership do?***
- Roles and responsibilities of a Parent Partnership group?***
- What is the constitution?***
- How is the AGM carried out?***
- How can you get involved in the Parent Partnership?***

The above are the questions we are asked most often.

We are hoping the session will answer any questions you may have, so please if you are interested then come along to the session.

We hope to see you all there 😊
