Dear Parent/Carer

Re: P7 Tree Planting

On Friday 21 February 2025, Primary 7 will be working with Scottish Water and Mackenzie Construction Group to plant several trees within the village as part of the ongoing upgrades and partnership working with the school.

Children should come to school dressed for the weather on this date and, where possible, bring a pair of Wellies and/or waterproof boots. As the plantation sites are likely to be wet and muddy, a change of clothing would be advisable for after the session.

On the day, there will also be a photographer present for photos. These may appear in the local press or across Scottish Water/MacKenzie group internal communications. If you **DO NOT** want your child to be featured in the photographs, or you **DO NOT** wish for your child to take part in the tree planting session, please contact the school as soon as possible to let us know.

Kind Regards
