Dear Parent/Carer

### **P6 & P7 Smart Stem Event**

Your child has been given the opportunity to take part in the Primary 6 & Primary 7 University of West of Scotland school of Computing, Engineering and Physical Sciences and the School of Health and Life Sciences event, in conjunction with SmartStems.

We can only take 20 children from across the two classes, so with this in mind we asked the children across both classes who would really want to go along to the event and has a keen interest around STEM. The day will be filled with hands-on activities, workshops, and inspiring talks to ignite pupil's passion for STEM fields, meet industry professionals, engage in interactive sessions, and explore the latest technologies shaping our future.

#### **Date, Time, Venue**

- Tuesday 13 May
- 9.20am – 2.30pm
- University of the West of Scotland, Lanarkshire Campus, Stephenson Place, Hamilton International Technology Park, South Lanarkshire, G72 0LH.

Could we please ask that your child comes to school that day dressed as normal in their uniform and brings a snack and packed lunch with them.

If you are happy for your child to take part in the above listed event, please return the permission slip below, by **no later than Friday 4 April 2025** to your child's class teacher.

Kind Regards

**Head Teacher**
