Dear Parents and Carers,

We are writing to seek your support and understanding regarding the use of e-scooters in and around our schools.

Schools are busy places, especially at the start and end of each day, and we believe that e-scooters present a safety risk to fellow pupils, pedestrians and other road users.

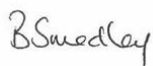

Furthermore, the use of privately owned e-scooters in public places is currently unlawful in Scotland.

For these reasons, we ask for your cooperation in ensuring that e-scooters are not used by pupils to get to and from school.

Your support in reinforcing this message with your child is greatly appreciated and plays an important role in helping us maintain a safe environment for everyone in and around our school communities.

Thank you for your understanding and continued support.

Kind regards

Barry Smedley

Chief Officer (Education – North)
