Dear Parent/Carer

RE: P7 Celebration Day

Each year the P7 cohort are given a choice of what they want to do for leaving Primary so I'm sure you already know for this year's cohort the Primary 7 children have chosen to go to Glasgow on Thursday 18 June. This will be by train, and we have managed to get a group booking with Scotrail. They will then go to the Riddle/Escape Rooms and then on for a sit-down meal in Thundercat before heading back to Airdrie on the train.

Can I just say a huge thank you to our Parent Partnership group who have funded the full day out as without them then these things wouldn't always be possible. So, a massive THANKS to them, it is always greatly appreciated.

The children can wear their own clothes/hoodies on the day as it's their day and we are celebrating them so whatever they are comfortable with.

We will be getting the 11:04am train from Airdrie train station and we should be finished everything by 4pm and get the 4.36pm train back to Airdrie train station. Miss Wallace and Mrs Reid will accompany the children.

We will be at the train station from 10:30am waiting in the car park so can we ask then on the day that the children are dropped off at Airdrie train station for no later than 10:45am and we will all meet in the station carpark. If children could also be collected from the station carpark when we are back that would be great too. So, instead of coming to school for 8.55am we would appreciate it if the children could be dropped off at the train station noting the details provided. The times for trains are estimated so we will keep you up to date using our text messaging service. If you can reach out to anyone that might need dropped off and picked up that would be great too.

If any child cannot make it on the day, could you advise us as soon as possible. We would also appreciate if you could fill out the return slip overleaf as soon as possible.

Kind Regards
