Head Teacher's Message

Dear Parents,

Thank you to those parents that managed along to our 'learn more about literacy' event. I hope you found this informative and useful in supporting your child's learning at home.

Please note that the school will be closed next week, Monday and Tuesday for mid-term break and Wednesday is an Inservice Day. The focus for our Inservice day will be planning to meet learners' needs, and this will be led by Mrs Anne Paterson, our Additional Support Needs Manager. We will also be joined by Allanton Primary School, Wishaw.

Mr Daniel Murray
Head Teacher

Educational Visits

We are in the process of organising various educational visits for the coming months.

So far, have confirmed the following:

- P2 – trip to Culzean House
- P6/P7 – trip to Science Centre
- P1 & P1/2 – Five Sisters Zoo
- P3 – trip to Museum of Rural Life

Letters with all the relevant information, dates, costs etc. will be issued in due course.

Scottish Attainment Challenge – Speech and Language Therapist

As part of the Scottish Attainment Challenge, we have been working in partnership with Speech and Language Therapists. Members of the Speech and Language team led teaching staff through a presentation about early language development and speech and language milestones. We have recently purchased a resource called Language Land, an early intervention resource that can be used to support small groups of children, to develop their social use of language.

Monthly Jotter Comments

Thank you to those who completed the monthly jotter comments section. I am delighted that so many of you have seen good progress being made in your child's work. As always, we ask that jotters are returned the very next day.

Sporting Festivals

Pupils from P4-P7 will be taking part in football and netball festivals organised by Mrs Mitchell and our Active Schools Coordinator over the coming weeks. Letters with all the information will be issued to your child in due course. Representatives from P6 and P7 will attend a sporting event tomorrow (Friday 10th February) at Ravenscraig Sports' Facility in Motherwell. Looking forward to seeing their pictures on our Twitter account.

Pupil Council

The Pupil Council has met with Mrs Mitchell to review our Promoting Positive Behaviour Policy. The children are preparing a consultation paper to gather your views – more information to follow. The Pupil Council will also be meeting to review the school's Anti-Bullying Policy and again, this will be issued for consultation.

Red Nose Day

The Pupil Council will be organising 'Red Nose Day'. Red noses will be on sale and the children can come to school in their PJs and with a crazy hair-do, if they wish.

Professional Learning

This month, Mrs Mitchell and Mrs Bruce will be attending various twilight courses relating to developing the young work force. Mrs Bruce will also be learning more about the Wave 3 programme, a literacy support programme used to give additional support for pupils at the early stages, to develop reading, writing and talking and listening skills.

Twitter and Website

Our website has now been updated with newsletters and we will continue to add to update the different sections over the next few months. Remember, you keep up to date with everything that is happening in our school by following us on Twitter.
