Dear P1-4 Parent/Carer,

### Cooking Kitchen

Curriculum for Excellence has an important role to play in promoting the health and wellbeing of children and young people. Here at Noble we have an excellent Cooking Classroom which allows our pupils to fulfil the following learning criteria.

*"I experience a sense of enjoyment and achievement when preparing simple healthy foods and drinks."*

In order to facilitate the effective use of the Cooking Classroom to meet the needs of the curriculum and in consultation with parents and staff on the school spending committee we would ask for £2.00 per pupil per year to cover the cost of the ingredients used. The money can be sent to the office using the slip below.

### Food Allergies

If your child has any food allergies or intolerances please let us know using the slip below. If there are any changes throughout the year please let the school know as soon as possible.

Yours faithfully,

Mr D. Murray  
Head Teacher
